## Charity — Cost Plus

Last week we attended a meeting of the Executive Committee of the Joint Charity Drive at the District Headquarters, firstly, in our capacity as an "Honorary Counsellor", and second, as an observer for this journal. We came late to the packed gathering, and went away early. During the hour we were there, we were impressed by the way the proceedings were conducted. It was an object lesson in parliamentary procedure. The Chairman, Simon Lee and his Committee members, deservedly earn our admiration.

We went away in a happy but reflective mood. We saw the size of the Executive Committee and wondered what the number would come to if the members of the General Committee including the number of sub-Committee members, not to mention the honorary officials and the ex-officials, were added thereto. Surely, it must easily exceed a hundred. To muster this manpower for the holding of meetings and to keep the wheels of information spinning, must erode an enormous amount of time and energy of the participants.

The purpose of this massive meeting of men and women, toiling away in groups both large and small on numberless occasions, is to attain the objective of \$250,000.00 for a joint project. Some startling facts revealed themselves in the cost of this Drive. We Lions are asked to donate at least \$29,500.00 for the first and second prizes consisting of two automobiles plus consolation prizes. Then, each Lion is given an allotment of 100 tickets, costing \$200.00. Last year, the Host Club members alone contributed \$29,000.00 for the donation tickets. If we work on a minimum of, say, \$10,000.00 per Club, we would arrive at a sum of \$90,000.00 (9 Clubs). Added up, these amounts total \$119,500.00. According to our understanding, the target for donation tickets is \$167,000.00 (two-thirds of the overall target). A little arithmetic will show that the contributions by Lions total over 70% of this target. So much for the "cost plus" of this part of the venture.

Apart from the foregoing, \$83,000.00 constituting the other third of the target of \$250,000.00, are for advertisements in the Ball Program. We are sure that a great majority of the advertisements are contributed by the Lions themselves or by firms where Lions work or otherwise have an interest.

We are not dwelling on the vast amount of paper, postages and incidental expenses that are incurred in recording minutes and disseminating such to members. Time is also money in another form, and the cost of this "invisible investment" must also be taken into account. To climax all this, we of course have the Ball to which we all look forward, and the amount of money spent in the purchase of Ball tickets and other "trimmings" that one confronts on such an occasion, also cost money.

Our analysis makes us wonder whether all this tremendous exercise of time, effort and money on our part could well be dispensed with by Lions contributing towards this fund since, as will be seen, the major portion is, in any event, borne by ourselves.

### PITY NOT THE POOR

We need not pity the unfortunate poor who stand in need of charity, because we can help them. We pity the fortunate rich who are not charitable because we cannot help them.

## Open House Tea Party

An open house tea party was held at the District Office on Friday, 31st January from 5.30—7.30 p.m. to promote fellowship amongst the Lions of all Clubs in the District. About 100 members showed up at this very successful function. It is hoped that there will be more of these parties before the end of the Lion year in June.

## Award to Mr. Kwan Fun

At the open house tea party, a brief ceremony took place in which Mr. Kwan Fun was presented with a cheque for \$500.00 and a plaque by District Governor Lion Hilton Cheong-Leen in recognition of his courage and action in breaking some traditional Chinese misconception that the body of the deceased must be kept intact. Mr. Kwan permitted the donation of the kidney of his daughter who passed away some time ago to save the life of a man.

There was wide press and T.V. coverage of this important historic event. Many Lions witnessed the ceremony and met the large family of Mr. & Mrs. Kwan.

## Lions Leadership Forum, 1969

The Forum will be held on the 14th June, 1969 from 2.30—6.00 p.m. in Hong Kong Hilton. Lion George Block, Lion Harold Wu and Lion Francis Pan have been appointed deputy Chairman, Hon. Secretary and Chairman of Workshops respectively by Lion John Poon, Forum Chairman. All Past District Governors have been co-opted to serve as advisers to the organising committee.

The number and discussion subjects of the Workshops will be different from last year's, as there will be

- Two Workshops for Cabinet functions;
- One for Membership Drive and Extension;
- Two for Projects and Fund Raising;
- One for Social Activities;
- One for Leo Club Promotion; and
- One for Regional and International Conventions.

## District Office

Lion Simon Lee, District Office Manager, reported that in the last 2 months the conference room of the District Office has been used by the District and Clubs 20 times already. It means that one in every 3 days the conference room is profitably employed. In addition, there are storage spaces for the use of the Clubs and the District.

At present, the office is staffed by two full time secretaries, one part-time assistant to the editor (Hong Kong Lion Magazine) and one messenger.

## Projects Committee

Projects Committee of the District has agreed to the following contributions this year:

- (1) \$10,000.00 to the Vocational Training Week, 5th to 12th May, sponsored by the Hong Kong Council of Social Service;
- (2) \$25,000.00 to the Hong Kong Adventist Sanitarium Hospital for one 5-bed charity ward which will be known as the Lions Ward;
- (3) \$5,000.00 to the Lions YMCA Camp.
- (4) \$10,000.00 to the Hong Kong University Loan Fund;
- (5) \$3,000.00 to the South East Taipei Lions Club for Kidney Case;
- (6) \$5,000.00 earmarked for Leo Club projects.

## Newsletter No. 4

To all Lions in District 303:

### International President

1. I have received the following letter from International President Lion David A. Evans:

"We are now at the crossroads on our membership program. It is now up to you which way we go. We can go the way some of our leaders have predicted and fail in our goal for a million members . . . or . . . we can go the way of today's leaders, you—the District Governors, and push with all we have to reach our goal.

We will need a 5% per month gain, during the next six months, from your District to make this goal possible.

Can we depend on you to make this the millionaire year?

### Community Chest

2. At the Third Quarterly Cabinet Meeting held on January 1969 a discussion took place on the District's policy in regard to the Community Chest. The Cabinet has confirmed the recommendations made by the District Projects Committee meeting of the 9th January as follows:

(a) Projects Committee will not consider any project involving less than HK\$5,000, as projects of this size could easily be taken up on a Club level.

(b) Projects Committee will not entertain any appeal put forth by members of the Community Chest since Lions District 303 is not participating in the Community chest and our aim is to supplement those worthy projects neglected by others and whose organisations do not have their own ways and means of raising funds.

I would add, however, that Lions in their individual capacity are encouraged to make personal contributions

**Kung Hei Fat Choy**

From Past D. G. Gin Lao

*We wish to say to all of you 'Kung Hei Fat Choy!'  
We hope this year would bring you more luck and joy.  
Above all may you always be blessed with good health!  
And may there be goodwill to men and peace on earth!  
We understand everything is now booming in Hongkong.  
We pray prosperity will stay with you forever long.  
Thank God! Health, Spirit and Friends are our blessings.  
And for community service we are still working.*

MARY and GIN LAO,  
San Francisco February, 1969.

to support the Community Chest, providing of course it does not interfere with their support for the District Charity Ball drive as well as their own club projects. Also, if any Club wishes to give a contribution to the Community Chest from the funds raised at a particular meeting, this is a matter within the discretion of the President and Board of Directors of that particular Club.

### 3. Service to the blind:

If any one community service can be identified with Lionism, it is sight conservation and work with the blind.

In a typical year, nearly one-fourth of all Lions club activities—roughly 100,000 projects—are devoted to sight conservation, Lions sponsor and support more than half of the corneal transplant banks in the U.S.

Lions provide equipment—from Braille writers to tape recorders—for the blind and large type reading material for the partially sighted.

In countless ways, Lions help blind people to achieve financial and mobility independence. Their funds pay for glasses for the needy and help support such large educational and therapy facilities for the blind. In many communities, the blind man who makes his living from a news-stand or some other small business got his start with the help of Lions.

Club glaucoma screenings have probably saved hundreds of people from the dread results of this disease. In widely separate laboratories, Lions are supporting major research into the causes of eye ailments, ranging from glaucoma to diabetic retinopathy.

Major legislation and government programs which have improved the quality of living for the blind owe their origin to Lion inspiration.

GOOD LIONISM IN FEBRUARY.

HILTON CHEONG-LEEN  
District Governor 303

## Use of Lions International's Name and Emblems

### International President Issues Exhortation

We publish a letter received from Lions International President David Evans regarding the use of emblem on pins, stationery, etc. The message stresses the rights of Lions International thereto, and we therefore urge Lions to take serious note of what President Evans has to say on this.

### TO ALL DISTRICT GOVERNORS AND LIONS CLUB PRESIDENTS

We are sure you are aware of the problems the Association encounters in unauthorized use of the Lions emblem. The International Board of Directors, in recognition of its legal obligation to protect the emblem, has established a policy (a copy of which is attached) clearly defining conditions under which it may be used.

This Board policy aims to preserve the emblem for Lion purposes and to assure the membership of reliable merchandise at reasonable prices. If our emblem should ever fall into what is known as common usage, our exclusive right with respect to its application to goods would no longer exist and any manufacturer could employ the emblem in direct competition with our Supplies Division.

Numerous Districts have ordered pins bearing the emblem from sources other than Lions International. This has caused income loss to the Association and created a trade mark infringement situation which the Legal Division cannot ignore.

If we desire to preserve our exclusive trade mark status, we must act to prevent entrance into the Lions supply field by a host of manufacturers.

We bring this important subject to your attention as leaders in Lionism, and earnestly solicit your help in making it known to, and in seeking the cooperation of, all Lions.

Henceforth all District pins bearing the Lions emblem and/or the Lions name must be purchased through the Club Supplies Division of Lions International.

Yours in Lionism,

DAVID A. EVANS,  
President.

## Use of Lions Name, Emblem and Good Will

As a matter of legal protection to Lions International and its member clubs, the Association's name and emblem (and variations thereof) are registered under trademarks in countries around the world. As the owner so protected, the Association has a corresponding legal obligation to be alert to infringements thereon, and to take all necessary steps to prevent, and to provide against legal risks which may flow from, unauthorized use thereof.

In fulfillment of this legal obligation, the International Board, through its legal counsel, seeks prompt cessation of any unauthorized use of the Association name and emblem. Further, it has established the following rules of policy:

- a) No item bearing the Association emblem may be sold or otherwise distributed to Lions or the public except upon express, written approval of the Club Supplies Division in the International Office.
- b) No Lion, Lions Club or Lions District may use the Association emblem on any item sold to Lions or to the public for fund-raising purposes. A special "Lions Club Fund-Raising Activity" seal has been printed for this purpose and is available through the Club Supplies Division.

c) No manufacturer, printer, producer, promoter, publisher, entrepreneur, or enterprise of any form, be it commercial or non-profit in nature, may employ the Association name, good will and/or emblem in any manner whatsoever except upon the express, written approval of the Club Supplies Division. This Division (which has authorized branches around the world) only may supply, or arrange for the manufacture and supply in various Lions countries of, items on which the use of the Lions name and/or emblem has been authorized by the International Board.

d) No Lions District may use the Association name or emblem in connection with a District project except upon express, written approval of the International Board of Directors. Application forms and procedure for obtaining such approval are available from the International Office upon request.

These rules have been promulgated under authority of, and in pursuance of duties established by, Article XIII, Section 3 and Article V, Section 3 of the International Constitution, and trademarks registered in countries around the world.

LIONS INTERNATIONAL

## Random Thoughts

By P. C. CHAU

### TOO MUCH OF A GOOD THING:

Yes. There can be too much of a good thing. A familiar phrase we learned in our younger days. Our fellow Lions, being leaders of the community, will of course appreciate the truth of this sage remark. Yet repeatedly we find evidence of our committing the same error in conducting our Lions affairs.

All our lives we have been taught to cherish liberty and freedom so much so that many of us would be willing to fight to preserve this privilege. However, we may become frustrated at times when major plans are being delayed on account of endless debates, when vice flourishes in our city because of certain legal technicalities having to be overcome. One may be led to ponder how convenient it would be if important matters, even the declaration of war, the mobilization of armies and the devaluation of currencies can all be achieved in the less democratic countries simply by issuing an order. There is indeed the danger of being too democratic at the expense of efficiency.

Though democracy is our way of life we must not allow too much freedom to jeopardise our efficiency and unity.

This applies equally well to affairs of the State, business policies and Lions movements. People no doubt desire freedom. But they also long for some one to guide them at times of difficulty and indecision. While it is commendable on one hand to hold meetings and conferences in a democratic atmosphere and to afford each interested party an opportunity to express his views, it is even more important that the meeting must be conducted with a firm hand. After different opinions are voiced and a vote taken, the decision must be announced in no uncertain terms so that all those present will have to abide by the decision of the majority and should have only one common policy and one common goal after the meeting and debates are over. The minority must accept the resolution

and support it as if it was based on its own proposal. Without this spirit there can be no organization and no real democracy. Freedom as we are all aware does not mean each individual can act as he pleases at the expense of others or to the prejudice of the organization. Without certain sacrifice by individuals there can be no efficiency or unity. This is a fine policy to be adopted by the individual Clubs and even more so at District level.

Guidance to individual Clubs is always essential when the subject matter involves District policy. Whatever the issue is it should not be left undecided or unclarified. A fluid or ambiguous policy will only tend to show weakness and lack of leadership. In the absence of proper guidance some of the clubs or members may act on their own and their action may be contrary to the District's policy. Thus the District's long reputation of being able to act jointly and in unison will be liable to be smeared and destroyed.

It is realised that it is the policy and tradition of Lions International to accord almost unquestioned freedom to the individual clubs but just the same a common policy on certain matters must be adopted and made known so that if the Clubs should wish to conform they may have the opportunity and information to do so.

Just how much democracy should be permitted without sacrificing efficiency is a delicate balance and can only be decided by the man in the chair, a decision by no means easy to make but nevertheless has to be made. This is the quality that puts him in the chair and the difference between leaders and followers. I think that as a leader, he ought to be grateful to be given the opportunity to make decisions to prove his capability and outstanding leadership and not just one who merely trails along the path of his predecessors never committing any fault yet never attaining any special achievement.

# CLUB EVALUATION QUESTIONNAIRE

It is recommended that you as a member of your Lions Club review this Form and arrive at your own conclusions or you may review it together with fellow members of your Club.

(The Form reprinted below has just come from the Lions International Office. It will take only a few minutes of our time to check the "yes" or "no" and is probably your first chance to tell your Officers and Directors what you think about the club operation.

The Editors)

HERE'S ALL YOU DO. On the following pages you will find three groups of questions—15 in each group—to be answered YES or NO by a simple check mark. Read the questions carefully; they pertain to things which affect the operation of a Lions Club. DO NOT SIGN THE QUESTIONNAIRE; this is a "secret ballot" giving you an opportunity to say exactly what you think.

THIS IS SERIOUS BUSINESS, affecting the future of your club. To the best of your ability, give honest answers. The member who treats this questionnaire as a joke, or does not give conscientious answers, is being unfair to his Officers and Directors, his club and himself.

TAKE TIME NOW to check the answers; then follow instructions as to the time and place it is to be turned in. IT IS VITALLY IMPORTANT that every member be honest, sincere and prompt in completing this questionnaire. Please, DO IT NOW!

## EVALUATION BY THE COMMITTEE

Keep in mind that this questionnaire is not intended to grade a club as to good, bad, or indifferent, but is an attempt to get the members' reflection on strong or weak points of the club. In this way your Board of Directors should be able to guide your club to a higher point of proficiency.

You will notice that the program is divided into three parts: Club Meetings, Membership, and General. Each part has fifteen (15) questions to be answered "Yes" or "No".

In evaluating the answers, let us take a club of thirty members. If at least two-thirds, or in this case 20, members mark "Yes," call the general answer "Yes." If less than two-thirds (20 in this case) mark "Yes," the general answer would be "No." Do this on all questions and then add up the total "Yes" and the total "No" in each group.

First consider Group 1, if you have 11 "Yes" and 4 "No," you can probably say you are conducting a good meeting. Now for Group 2, if you have 8 "Yes" and 7 "No," you will probably need to pep up your membership program. Now consider Group 3, if you have 9 "Yes" and 6 "No," you are only fair in general administration. After carefully studying the comments you should be able to make definite recommendations to your club. This particular case shows, that while the club has very good club meetings, apparently that is the only interest of this club. Both the club and the community are missing much of the real good of Lionism.

Supposing the report shows Group 1 and 3 to be strong, but Group 2 is weak. Then it will be wise to look sharp on all things pertaining to membership. You may be doing O.K. right now, but from lack of new blood you may be heading for lean years.

A weakness in Group 1 will in all probability lead to a weakness in the other two groups, as poor meetings usually indicate poor administration all around.

## 太平山少獅會成立

太平山獅子會為響應國際獅子會加強輔導青少年活動號召，將籌備組織「太平山少獅會」，成立典禮於一九六九年一月十二日假座香港大會堂音樂廳舉行，由於太平山獅子會會長黃文謙，副會長李文彬，陳百強，余頌平及少獅會創會會長黃廣頤，東邀社會賢達，各界友好及港九各獅子會首長到場觀禮。到有三〇三區總監張有興，副總監潘約翰，秘書簡日淦，前任總監畢偉文，三〇三區少獅指導小組主席白理達，各獅子會首長王能學，龔甲龍，朱大傑，董厚璋，曹克安，周寶璋，趙世會，李大偉，鄭桂生，梁振邦，王定基，馬有潛，盧家興，梁志峯，陳濟民，朱夢雲，陳海章，許仲繩，蔡星南，曾紀棠，鄭定華，陳錦青，周君廉，董宏英，黃錦植，何義貴，李俊亭，招振輝，林雄，余汝偉，王宇欽，香港少獅會（主會）會長畢亞當暨太平山獅子會及少獅會全體會員及各界嘉賓並招待小童羣益會，兒童安置所，扶幼中心，保良局，東華三院小學，聖雅各福羣會，烏溪沙兒童新村，調景嶺學生服務社等福利機構兒童等，合共一千四百餘人，氣氛愉快，情況熱烈。

這次參加少獅會的成員，一共有三十位年青的朋友，他們大部份是各獅兄的公子和各著名學府的優秀青年，他們雖來自不同的家庭，肄業於不同的學校，但他們的樂意服務，熱心公益的抱負却是完全一致的。

Through such action programs, Leo members will be able to gain a rich reward by way of acquiring experience in group action, community service and in developing the latent leadership quality in themselves. This will stand them in good stead when they become future leaders of our community in the years to come.

## 香港公益金

香港公益金委員會會長唐炳源先生主講

本港立法局議員，香港公益金委員會會長唐炳源先生，一月七日在本會午餐會上，作有關香港公益金問題專題演講。獅子會精神及其宗旨，與香港公益金同樣地是同情困苦，扶弱濟貧，獅子會將樂於找尋方法，與香港公益金密切合作。以下是唐炳源先生演講全文：

獅子會是世界聞名的組織，本人今天得參加貴會的月會，極感榮幸，同時願藉這個寶貴的機會談談各位對之一定十分關心的一件事。獅子會的守則訂定會員要念念不忘公民對社會的義務，它也激勵會員援助他人，同情困苦，扶弱濟貧，各位參加這項守則，成績卓著，實在值得欽佩。

香港公益金也同樣致力於扶弱濟貧。它和許多社團密切合作，共同進行這種工作，香港公益金成立不久，它必須和獅子會所揭櫫的宗旨一樣，要以服務社會為己任。但是公益金能否圓滿完成所負責任顯然要看它獲得社會人士支持與合作的程度而定。長遠來看，我以為如果它的目的和方法有廣大的社會各階層的支持，則它可以繼續不斷的圓滿履行任務。

我深信各方面對公益金的支持將會陸續而來，並且與年俱增，但認為不妨就海外人士對本港的觀感以及本港環境之與公益金今後發展有關者，表示一些意見。

我們都知道本港的迅速工業化和因工業化而帶來的繁榮，業經世界人士視為戰後經濟發展的僅有幾項奇跡之一。我們也明白本港能獲致這種成就，大致而言，其原因是自由企業的力量獲得充分發揚，極少受到政府干涉和控制。

這是好的一面，而且也是真實的。但是我們不要自我陶醉，以為國際人士對本港只有動聽的，以及公平而又讚美的意見。我們不必多事考查，即可以發現海外人士，批評本港很多成功的工商界人士只顧賺錢，缺乏開明的公民責任感及社會同情心。

我們對於這種不分青紅皂白，懷有惡意，而又粗野和沒有根據的批評，如果只是表示憤怒，那是不夠的。我們不只要以言語並且必須以行動來證明這些批評是不確的。

最有效的辦法就是本港所有的人，要能不論地位和財富，而一致表現樂意為社會福利而服務的熱忱。這即是說，對於統籌促進社會福利工作的香港公益金一類的團體，要能盡量予以支持。

香港公益金目前仍未能達到包羅所有社會福利社團在內的最終目的。使所有確實有所貢獻的社會福利團體團結一致，並不是一蹴可幾，而是需要相當時日的。不過，香港公益金的最後目標是必然實現的。香港公益金開始工作才不過兩個月，它的方針和方法需要不斷加以檢討和調整。事實上，它現在也正在這樣做，而我們現在才不過剛剛開始處理一項極其複雜困難的工作。

我們都見到本港越來越多的人請促政府擴展社會福利開支範圍，加速推行更多的社會福利工作。這種要求默許在必要時，不妨提高稅率。根據這種想法，本港最重要的問題是如何保障社會安寧與政治穩定。

另一方面，政府如果採取可能妨礙現行經濟發展趨勢的任何行動，都會引起不安和反對。本港的經濟繁榮在都依靠海外資本流入本港，以及維持資本重行投資的比額，而對這兩者而言，最大的一種鼓動力都是保持較低而又穩定的稅率。

這是本港面臨的左右為難的局面。不過，這項難題似乎有一項解決辦法，即由社會全體人士以志願的方式，共同致力社會福利。

在這項工作上，香港公益金可以發揮「執兩用中」融銓兼顧的工作。目前，它還未能將從事各方面社會服務的私人組織完全包圍在內。可是它已有一個良好的開端，而包羅所有社會福利社團在內的目的，祇須加以推廣便可達成。

香港公益金的背景和政策大致如此，我因為有機會參與這個新組織的工作，所以想對它到現在為止的在計劃和活動方面的進展情形，說幾句話。

各位也許已經知道，公益金最近宣佈，它的第一期募捐運動已於十二月結束，成績非常圓滿。

根據最近的計算，已經募到的現金和認捐的款項共約達四百五十萬元，即約為一九六九年的目標六百萬元之四分之三。最後的捐款總額大有可能超過所訂目標。

募捐運動已經進入第貳期，而且推行得很順利。但是有若干問題我們正在極力設法加以解決。

第一個問題是如何擬訂今後募款的最佳方法，以適應社會福利日增的需求，及使社會各階層人士能更廣泛參加，以便今後的募款運動既能公允而又有成績。公益金的必須依照全體公民服務原則，向本港全體居民勸募款項。現時正在小心擬訂實行的方法。

第二個問題是如何把公益金的工作開支儘量減至接近零數的程度，使全部捐款，能夠幾乎如數撥供各會員社團使用，這個問題可以採用徵求若干志願人士，分担公益金一般行政工作開支的辦法來解決。這個計劃亦快可以實現。

第三項問題和一項頗見普遍的要求，即捐給公益金的款項應該免稅的要求有關。這種捐款如果准予免稅，便需要修改現行法律。不過修改之後，將更能鼓勵人們以捐款交由公益金分配，從而對公益金募捐目標之達成，大有幫助。現正積極設法促使這項提議實現。

與此同時，各界人士，無分貧富，均熱烈支持公益金的募捐運動。這種令人感興奮的事實可以從上週各大報章所公佈的捐款人名單看得出來。

不寧惟是，我相信在上週同時宣佈公益金屬下的每一個社會福利組織所從事的各種工作之後，支持公益金的人必將更為增多。

本人認為，獅子會的精神和宗旨與公益金並無異致，獅子會將樂於找尋方法與公益金密切合作。倘果如此，則貴會在社會福利工作方面的成就，將可與公益金的目的與成績相輔相成。

## 香港的報業

香港報業公會主席女太平紳士胡仙女士於十二月十七日在快活谷獅子會例會席上，提供香港報業發展及推進情形，以求配合時代的需求。茲將胡女仙演詞原文錄下：

今晚承貴會邀請本人參加聚餐，又蒙會長要我談談香港報業問題，本人覺得非常榮幸。

以我所知，獅子會會員資格，是以職業分類限制的，因此在座各位都是本港各項專業人才，與報業有密切的關係。

香港的中文報紙歷史，推算起來，當有一百一十年的悠久時間，在此百餘年中，經過不斷的努力，奠定了行業的基礎，今天在這個擁有四百萬人口的城市，全港日報及晚報已經發展到共有五十餘家，報紙銷數達到每日超過一百五十萬份，由於工商業發達和社會所需求，報紙在傳播任務和推進

經濟的作用，亦與日俱增，因此，報業的經營和從業員的專業化，亦在逐漸改進，以求配合時代。

首先，我要向各位提出報紙經營的趨業，由於世界傳播事業愈來愈發達，同時，報紙須適應大多數讀者的需要。

它的經營方式，已有企業化的必要，而且香港目前對新聞自由方面亦有顯著進步，報紙可以從各種不同立場的方式發展，讓讀者自由選擇，在此情形之下，一份銷路廣大的報紙，就是表示受着多數人的擁護，而不會與讀者脫節，它的言論與紀載態度，就是代表廣大讀者的意見，成為反映社會言論的工具，而這一工具的運用，必須做到不偏不倚，公正無私，才能符合公眾的期望。

其次是，近年來，本港的報紙在印刷和編排上都有顯著的進步，此乃由於設備與人才的質素皆有改善所致，但在基本上要求徹底改良當前的經營制度與科學管理，仍需更大的努力。

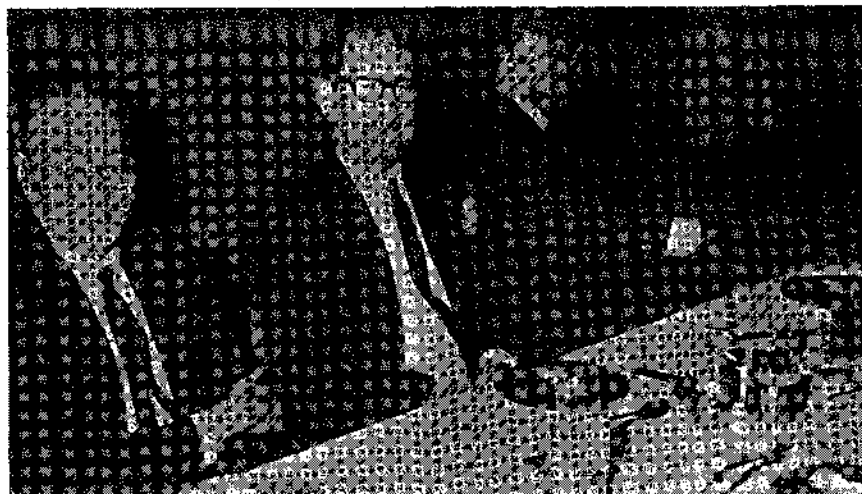

從印刷方面來說，中文報目前的排字工作，仍然脫不了傳統的人工排字方法，因此，對中文報要想有革命性的改良，自非先從解決手工排字不可。

關於改良排字的技術，世界各地的中文報同業，現在此共同進行研究，從事於新的改革，例如以機械化排字，使報紙的編排時間縮短，完成迅速出版，如果此項技術能夠成功，對報紙的徹底改良將有很大的貢獻。

至於印刷方面，本港現時的報紙，已經有許多家採用輪轉印刷，速度已足夠應付目前發行的需要。

報業經營是一個非常複雜的問題，要辦一間無政治偏見，純屬商業化，在經濟上完全自立，而又是現代化的報紙，在業務上，就不能不有科學的管理，由於報紙組織是有許多部門，每一部門的工作，都有一定的程序，而每一位工作人員也有其本身所負的責任，用集體的工作和合作，才能產生良好的效果。

就報紙立場來說，社論是代表報社，而不是執筆人的個人意見，亦即是反映多數人的公正意見。新聞的處理和報導，要求忠實而迅速，使讀者能於最短時間中得到正確的消息

工商日報總編輯潘仁昌先生及星島日報副編輯賈納夫先生也抽空參加我們的例會。

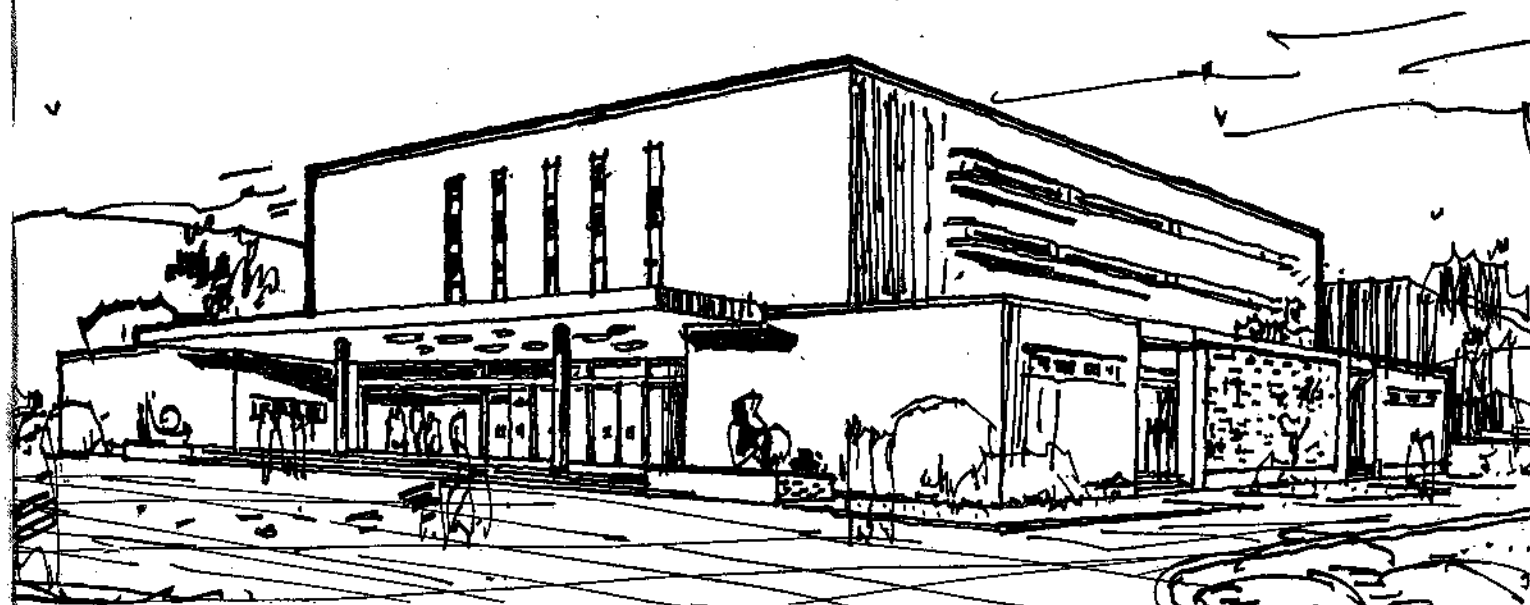

。因此，一家現代化的報紙，是綜合出版，印刷，鑄字，電版製造各種不同性質的組織，而報紙的內容是包括政治、經濟、學術、娛樂、社會一切正常和突發的消息，每天工作是二十四小時的推進，不能有一刻的脫節。

正因如是，新聞從業員的工作，是一項責任繁重而吃力的工作，從事於新聞事業的人，要有堅定的志願和獻身為社會服務的精神，報館對工作人員的待遇，約其他企業一樣，是應注意福利的設備，現時，本港多家報社，對這方面已能注意，其中亦有已經實行員工福利制度，如超時工作津貼，房屋計劃，醫藥津貼，退休金等，由於今日的報業已具有專門性質，對於員工的量材為用，根據年資及工作成績予以合理的待遇，是必需的一個制度。

本港的報紙銷數，目前仍在繼續上升中，由於人口增加，工商業的發展，教育的日漸普遍，文盲減少，中文報紙的前途，仍有很樂觀的展望。經營報業的方針，雖然是以企業化為目標，但其所負的責任，對文化教育的輔助，良好風氣的培養，社會服務的工作，都應時時加以注意。並不能單純以賺大錢發大財為目的，而且一份成功的報紙是要經過很悠長而艱苦的時間去經營，付出鉅大的投資，和無數麻煩瑣碎的困擾，要想發財，儘有許多事業可做，何必去揀上這一行？

報紙是社會的測驗機，也是社會大眾的工具，需要社會的合作和推動，才能有不斷的進步，在座各位都是專業人才，希望以後能多多指教。謝謝。

## LION'S VISIT TO TAI O

The Lions Club of Happy Valley donated in October 1968 the sum of HK\$50,000.00 to the Hong Kong Government for the building of the Tai O Community Hall on the Lantau Island. The Hall, which will look roughly as the above blue print, will be named after the Lions Club of Happy Valley. The Hong Kong Government had on its part made a grant of a further HK\$50,000.00 for the project to furnish an equip the fittings and furniture of the Hall.

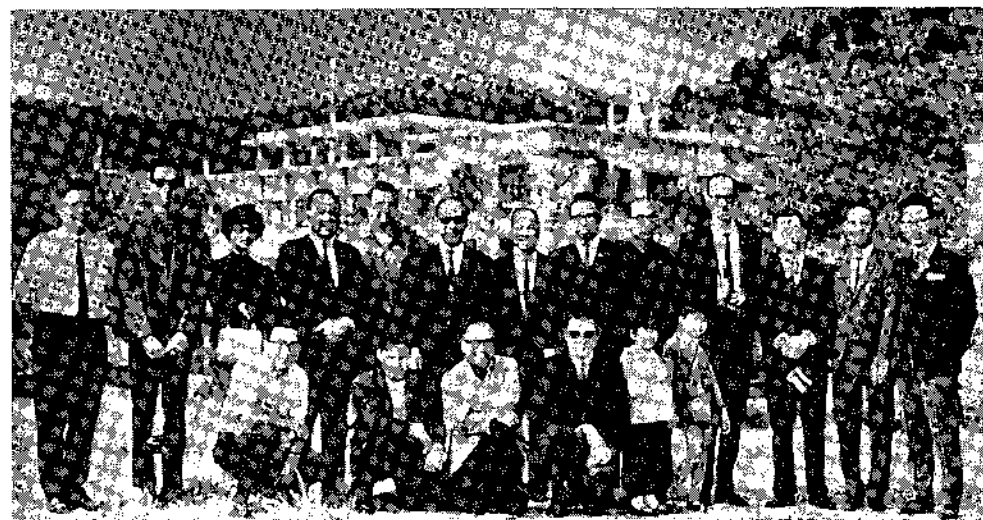

On 1st of December 1968, members of the Lions Club of Happy Valley paid a visit to Tai O on Lantau Island, as guests of the Hong Kong Government. The Government launch, "Sir Cecil Clementi", was made available at our disposal, while Mr. H. Kwok, Assistant District Officer South, accompanied us on the voyage.

The launch left Queen's Pier early at 9.30 a.m. for Tao O. On board

were Lions David Lee, Hui Chung Shing, David P. W. Chau, George Li Kai Fun, Henry Ho King Sheung, Ho Man Chung, Edmond M. N. Wong, Henry She Kwong Wah, Michael Cheung, U Man Lan and Chow Kim Hung, as well as their wives and children.

We arrived at Tai O at noon and were met by Mr. Kan Chung Hing, Chairman of the Tai O Rural Committee and Mr. Yu Yuen-hei, Vice-

Chairman. We were led through the narrow streets of Tai O and later held talks with the Tai O village representatives in the office of the Rural Committee. It was exciting to watch the big crowds of villagers waiting to welcome us at the gate of the Rural Committee. We understood that they were really in bad need of a Community Hall as Tai O is one of the most remote place and it takes more than 2 hours by ferry from Hong Kong to reach the place.

Lions photographed with members of the Tai O Committee with the Hong Kong Jockey Club Clinic in the background.

Our Lions' wives are as enthusiastic as our Lions. Photographed on board the Government launch were from right to left, Lioness Henry She Kwong Wah, Lioness George Li Kai Fun and Mrs. H. Kwok, wife of the Assistant District Officer South. In front, the children of Lion George Li.

#### Lion's Birthday

At our Regular Dinner Meeting on 3rd December birthday gifts were given to Wong Tat Hang who true to lion's spirit donated a generous sum to the Club's welfare fund.

#### Resignation

Yam Hong Nin resigned from our Club with effect from December 68 due to the fact that his own career left him very little time in attending meeting. He resigned in good standing.

#### Lions Dropped

At our Directors' Meeting on December 5th, it was resolved to drop the names of those lions who failed to attend regular meetings or to settle outstanding club dues. In this connection, we were compelled to drop effective 31st December 1968 the names of the following lions from the Club's register: Albert Lee Cheuck Ying, Lee Sai Ming, James T. H. Chien, Chu Kwok Choi and Lau Kwong.

#### Lion Returned from Holiday

Tsang Kee, who is in his seventies, returned to Hong Kong after spending some time in the Philippines and about four weeks in Taiwan.

#### Lions at Boy Scouts' Carnival

At the Carnival of the Hung Hom, Homantin, King's Park Boy Scout Local Association which was held on January 5th 1969, Henry She Kwong Wah and George Li Kai Fun, both Vice-Presidents of the Association, were both asked to judge the decorations and designs of the various stalls set up by the scouts.

#### Road Safety Conference 1969

Our Charter President, Peter Chan Po Fan, will be the Chairman of the International Road Safety Conference 1969 to be held in Hong Kong. Lion Chan, who is also the President of the Hong Kong Road Safety Association, has invited many foreign visitors to attend this Conference in addition to lions of our Club.

## Juveniles and Crime in Hong Kong - A Practical and Pertinent Appraisal by the Juveniles Liaison Officer, C.I.D.

The subject of youth and juveniles is one which comes under discussion almost daily either in the press, or in the form of lectures, announcements magazine articles, sermons and debates. We have all been at the receiving end on this subject and we all have our own opinions as to how the youth problem should be solved and we certainly never let an opportunity go by to air these views—we stand up on our soapbox and we moralise on the rights and wrongs of the present younger generation—on what is being done for them, on what is not being done and what our solution, usually completely impracticable, would be.

At our luncheon meeting of January 3rd Mr. J. P. McMahon, Juvenile Liaison Officer, C.I.D., gave us a straightforward practical talk on the question as seen from his viewpoint and the ways in which his department were going about trying to reduce juvenile crime—we reproduce his talk in full as we feel it is informative, practical and realistic—something that is not always true of our solutions to this question.

#### What is a Juvenile

1. Under the laws of Hong Kong, a juvenile is a person who has not reached their sixteenth birthday.

#### Statistics

2. It is estimated that just over 50% of the population of Hong Kong is under 21 years of age. Almost 20% of the population are within the age group of 8 to 16 years and in 1967, 1539 juveniles were taken before our courts and 350 dealt with as discretion cases. This represents .25% of the population within this age group.

#### Our Problem

3. It was not until the early 1960's that juvenile crime became a problem in Hong Kong. In late 1962, the police carried out a survey of all juveniles arrested and found that the youngest offenders were aged between 11 and 12 years who had mainly committed minor larcenies. In the age group of 13 to 16 years, the range of offences widened but the majority, 57%, were still minor larcenies. 41% of the juveniles committed the offence in order to obtain money for entertainment, 30% committed the crime for crime's sake, 22% in order to obtain food or due to poor family circumstances and the remainder it was due to provocation. In 49% of juveniles arrested, one parent was either dead or away from home. 26% of offenders were the eldest child coming from families of four to five children. As expected, the majority of the offenders came from families in the lower income group.

The question now before the police was what were they going to do about this problem, how could they help and in what way.

4. A study of methods used in other countries was made and it was decided to implement a system employed in the United Kingdom. Briefly this gives discretion to a senior police officer to administer a caution instead of prosecuting a juvenile if in the first incident, they are a first offender, in some, though not many cases, it is extended to a second and even third offence. The offence is not a serious one and the complainant does not wish to prosecute. The caution is not the end of the matter for the juvenile is then handed over to specially selected police officers who take him or her under their care and visit them at home at frequent intervals to influence them to keep out of trouble.

5. As the Attorney General in Hong Kong is the sole authority to institute or withhold prosecutions, his permission had to be sought to give discretionary powers in these cases to senior police officers. This permission was readily given and indeed the Legal Department and the Judiciary gave every encouragement in this experiment. The system was introduced into Hong Kong in 1963 and in addition to the provisions I have just mentioned for not prosecuting, further provisions were added to include the juvenile's parents agreeing to no prosecution and any other interested party such as an insurance company also agreeing to no prosecution.

6. As in the case of every crime reported, a thorough investigation is carried out and if the officer in charge of the case, normally inspector rank, considers the offender falls within the juvenile scheme, he refers the papers to his Superintendent. If the Superintendent is satisfied that it is a proper case for exercise of his discretion, he summons the juvenile and parents or guardian before him and cautions the juvenile. The juvenile is then referred to the Juvenile Liaison Section, specially set up to deal with these cases. I must point out here that these cases are selected on the facts and circumstances and not the offence.

7. The Juvenile Liaison Section is staffed by male and female officers specially selected for their experience in dealing with juveniles. When a juvenile is referred to the section, a personal dossier is opened and full investigations are made into the juvenile's background. His or her family are interviewed and from then on he or she is visited regularly by officers of the section for a period of

two years or until such time as they reach the age of 16 years. Care is taken that visits are not regarded as mere supervisory visits. The juvenile is encouraged to regard the police officer as his or her friend with whom they can discuss their problems and seek assistance in such matters as family disagreements, suitable employment, or joining a youth or school group. The purpose of the scheme is not to delay the juveniles re-entry into crime but to encourage them to give up crime altogether.

8. It is still a little early to say how successful the scheme is as it has only been in existence since 1963. Up to 31st December 1968, 2500 juveniles have been dealt with under this scheme and only two per cent of the offenders have returned to crime.

9. The findings of our pilot survey, as just outlined, have in general been confirmed by the work of the Juvenile Liaison Section. Larceny for gain is still the main crime committed by juveniles and the primary motivation is to obtain luxuries which the family cannot provide. As expected the majority of offenders came from families in the lower income group bracket and their education had seldom progressed beyond primary school level. One disturbing trend has been noted in current years and that is the increasing amount of violence being used in the commission of offences. This is particularly noticeable in the "gang" type offence of robbery, the younger offenders using or threatening physical violence to their victims (usually juveniles of around their own age) or, in the case of the older boys, using knives or similar weapons in robberies on other youths or courting couples.

10. Because of its close association with juveniles, the Juvenile Liaison Section is involved not only in case work but is also responsible for:—

- (a) Collection and recording of information on juveniles and young persons who have come to the notice of police.
- (b) Assisting other organisations interested in juvenile welfare.
- (c) Assisting in the search for missing persons.
- (d) Assisting in the search for young persons wanted for breach of probation and escapees from remand homes and training centres.
- (e) Investigation and rehabilitation of young prostitutes.
- (f) Investigation and control of conditions in places of entertainment that may encourage delinquency or crime.
- (g) Public relations work in schools, youth clubs, etc.
- (h) Collating and analysis of statistics on juvenile crime.

11. As in other countries, juvenile gangs flourish in Hong Kong. They fall into four main types:—

- (a) Small gangs of little boys found in the poorer class areas.
- (b) Street gangs of the "teddy boy" type.
- (c) Street gangs of criminals proper.
- (d) Of course, there are other gangs which are not criminal in outlook and are not therefore the concern of the Juvenile Liaison Section.

12. It would be most satisfying if this outline of our juvenile problem in Hong Kong could be concluded with statistics showing that our efforts had met with overall success. Unfortunately this is not the case although we have achieved much and are convinced we are on the right road. The Juvenile Liaison Sections have produced much valuable information on juvenile crime and behaviour and has certainly contributed to the reform of potential

adult criminals. The decision to permit senior police officers to use discretion in certain juvenile cases has proved to be a wise one, for of the 2500 cases dealt with between 1963 and 1968, only 2% were subsequently arrested for further crime. We are constantly looking at the problem of juveniles in Hong Kong and studying the various methods and systems in use throughout the world to deal with it.

#### Police officers serve on the following Committee

- (1) Hong Kong Federation of Youth Groups.
- (2) Society of Boys Centre.
- (3) Boys and Girls Clubs Association.

#### Narcotics

Drug addiction amongst juveniles is extremely rarely found.

## Pen Portrait — Max Landolt

Max A. Landolt

Max Landolt, our Program Chairman, is a man who, because of his background as an airline executive, never believes in leaving things to chance. This is evidenced by the way he plans for guest speakers, one of

the chores of his department, well ahead of time. We were once asked to introduce a guest speaker, almost six months before his scheduled appearance!

Boyish looking at thirty-nine, Max was born in Clarens by Lake Geneva. He received his early education in Vevey at the Classic College where he also learned Latin. Later, he graduated from the Ecole Supérieure de Commerce at Lausanne.

In 1950, Max Landolt entered the world of business by joining the giant Nestlé's, of milk fame, where he spent several years on Far Eastern assignments, first in Kobe (1953-56), and then in Penang until 1957.

The seven years hitch with the Milky Way evidently developed into an itch for Max, for he changed from a milk man to an air man. Swiss Air, which in 1957 had started a service to the Far East, were searching for talent with Far East experience as executives in this area. Max Landolt was invited to join Swiss Air, which he accepted.

He began a course of training at the Zurich headquarters of Swiss Air, whereafter he was sent to Singapore to open Swiss Air office there in 1958. After Singapore, where he covered Swiss Air's operations in Malaya and Indonesia, Max was sent to London as Sales Manager for U.K. and Ireland. It was Hongkong for Max in 1964, where he has been stationed since.

Max and wife "Maud" have a daughter, Anne, now ten year old. Held in high esteem by friends of all nationalities, and in particular by his own community, Max Landolt is currently the President of the Swiss Association. His built-in affability makes Max an ideal person for this post, not only to make the happy Swiss happier, but to enlarge their circle of foreign friends as well.

Max has very little time left for diversions after the heavy workload of office and association (including Lions) affairs, but he manages whenever he can to indulge in boating, swimming, hiking and tennis. Mens Sano in Corpore Sano is a Latinism we are sure Max understands and appreciates. (B.B.)

### Club Activities

President William Wong of the Kowloon Club of Lions shared reminiscences of his extensive, five-month tour of the North American Continent soon after his return with Club members at the second monthly luncheon held on December 27, 1968 at the Peninsula Hotel. The Lions were particularly gratified to learn that he had made goodwill calls on various Lions clubs in both the United States and Canada. After the lunch, there was a viewing of "City Time and Decision", a very interesting U.S.I.S. documentary in technicolor covering a wide field of current urban problems in the United States.

The luncheon was attended by 25 members with three visiting Lions: Jonny Yam of Pasay City Lions Club, Manila; M. Gidumal of the Hongkong Host Club; and C. Black of Johannesburg's Host Club. C. Corte-Real and Chris Lo invited Mr. Ronald Poon of the Canadian P.A. Line and Mr. Norman Killei of the U.S.I.S. respectively while the press was represented by Mr. Lee Chee Hong, a club photographer.

The first regular luncheon of the month was held on December 13 with 32 members in attendance, two visiting Lions, Walter W. White of Ridgewood, New Jersey, and Raymond Kan of the Victoria Lions Club; three guests, Messrs. Tony Mahtani, S.Y. Park and J.S. Kapur (invited by Lions K.G. Sakrani, Charles Chang and O.P. Seth respectively) and one member of the press, Mr. Laurence Fu of the Hongkong Standard.

The guest speaker at this luncheon was Mr. John Stewart Foote, Managing Director and General Manager of Empress Hotel as well as First Vice Chairman of the Hongkong Hotels Association. Mr. Foote emphasized two points to promote the future well-being of the Colony, establishment of a university degree in hotel and tourism management and financing of a \$10 million centre that would enable Hongkong to handle large international conventions commensurate with the capacity of the existing hotels to absorb them.

Sober reminders were sounded at the sixth meeting of the Publications Committee on December 27 that Club members were not showing sufficient interest in The Lion Monthly. Some members even considered it wise to suspend publication altogether of a magazine that required a lot of time from active members and substantial District funds. Fortunately, the majority held out for continued issuances and the District Governor agreed to write an article in the next issue to urge more support and co-operation.

Camillo Corte-Real and Stanley Wang will both be leaving Hongkong in March. The former was granted a six-month membership at large beginning March 1 for his home leave while the latter's chairmanship of Our Ladies' Night will be filled either by Stephen Ip or David Lu. The following members, meanwhile, accepted positions in various sub-committees of the Joint Charity Ball as follows:

John Liu	Tickets & Decorations
David Lu	Donation Tickets
Charles Chang	Printing & Publications
Lincoln Linn	Programs

Overseas good wishes during the month of December included a letter to President Lion Wong from Lion A. James McLardie, Australian Secretary of Lions International, to introduce Mrs. Philip Rundle of the International Red Cross during her visit to Hongkong, a Christmas card from the secretary of the Incheon Lions Club of Korea and an exchange of Club banners with the Lions Club of Brisbane.

In closing, may we extend birthday greetings to the following Lions who were born in the forthcoming month of February:

## Club Activities

### The Final Regular Monthly Meeting for 1968

The 2nd regular and the final meeting for the month of December 1968 was held on Thursday, the 19th evening at the Penthouse of the Park Hotel with the following guest and members:—

Guest: Mr. Lo Ching Ho

Members: Joe Wu, President, Chan Kum Chen, Seto Yu, Tony Mok, Yam Kwok Hung, Peter Chen, Ho Nee Qui, Robert Chan, Lui Ho, Stephen S. F. Hui, Chan Ping Ming, William Chang, Liang Pei Man, Y. C. Pi, Luk Bing Sung, Ng Ho Sang, Chiu Yue Har and Fung Keung.

### Club Evaluation Questionnaire

As there was no speaker for the evening, President Wu, having gone over the preliminaries of the meeting, gave the audience a re-appraisal of the Club's achievements by reference to the Club Evaluation Questionnaire which was recently received from the Cabinet of District 303.

### Membership and Attendance

The question of membership and attendance was thoroughly reviewed at this meeting and it was disclosed that the drop-outs on account of ineffective membership have been replaced by the following new bloods: Fung Keung, Sam Koo, Wilson Chang, Ng Kwong Yu, Ng Ho Sang, Wong Wai and Cheung Char Ting.

All of the above were sworn in and admitted as new members of the Club in the months of October/November. Incidentally, our Lion Governor, Hilton Cheong-Leen, has sent to each a letter of congratulations for having accepted the membership of the Lions Club of Castle Peak. In addition, the Attendance and Fellowship Committee

Chairman, Lion David Kong, came under criticism for not having contacted the absent members so that they could be present at the next regular meeting. President Wu remarked that when attendance was poor at a meeting, there could not be any fellowship among Lions.

### Community Service

In the absence of Lion Project Chairman, Martin Chu, at this meeting, it was not possible to give a proper appraisal of our community service towards Youth and Recreation, Educational Grant, and Medical Aid Projects undertaken by this Club. Lion Martin Chu was expected to furnish such reports as are necessary for the publication in the Special Issue honouring the Ladies' Night as well as the 5th Anniversary of the Club, 22 February 1969.

### Leo Club Committee

Ho Nee Qui as Chairman of this newly-created Committee commented on the significance of forming a Leo Club with the possible membership to include the lionettes of the members of the Castle Peak Club. Greeted with the unanimous approval at the meeting, Ho went on to report of his observation after having attended the Leo Club Committee Meeting chaired by Lion Prata of the Host Club within the Cabinet of District 303. Ho further remarked that two Leo Clubs have been established, one by Host Club and the other by Taipingshan Club, and both of which having had their inauguration ceremonies in January. Ho finally appealed to the members at the meeting to give full support to the formation of a Leo Club within the Castle Peak Lions Club.

### Lions International Convention

At the request of Lion James Kung of the Host Club who is serving as Convention Chairman for District 303, Lion Peter Chan urged members to

register for the Lions International Convention, 2-5 July 1969 in order to ensure their hotel accommodations. A round-up was made and found that 15 members of Castle Peak Lions Club would be participating in the International Convention. The Lions and Lionesses so registered with Lion Peter Chan in charge of the registration comprise the following: Lion and Lioness Joe Wu, Lion and Lioness Tony Mok, Lion and Lioness Chiu Yue Har, Lion and Lioness Luk Kam Sang, Lion and Lioness Chan Kum Chen and 2 daughters, Lion Lui Ho.

### Ladies' Night, 22 February 1969

As expected, Chairman Yam Kwok Hung faced a serious challenge of organising the Ladies' Night fund-raising campaign. However, after having had three meetings chaired by him, matters were moving steadily under control. The prizes Sub-Committee has come up with good results consisting of:

1st Prize: National TV Set of 23"

Donors: Yam Kwok Hung, Chan Kum Chen, Peter Chen, Chiu Yue Har and Tony Mok.

2nd Prize: A Round-trip air ticket, HKG/TPE/HKG

Donor: President Joe Wu

3rd Prize: Man's OMEGA Watch

Donor: S. F. Hui.

In addition, there will be many more prizes donated by different Lion members.

Another item, deserving of mention here, was the President's congratulatory remarks to Robert Chan, as Chairman of the Advertising Sub-Committee for having scored at this writing a significant achievement. According to the results in hand, already a sum of HK\$8,000 had been obtained and more are expected so that the original target of raising HK\$10,000 from advertising is now a reality.

The next in the order of importance is the wonderful work presently undertaken by Lion Y. C. Pi who acts as Chairman for the Editing and Printing Sub-Committee. He is busy gathering materials for the publication of the Special Issue honouring the Ladies' Night and the 5th Anniversary of the Lions Club of Castle Peak.

#### The 1st Regular Meeting for 1969

The first regular monthly meeting for 1969 fell on Thursday, 2 January 1969 when an evening dinner at the Penthouse of the Park Hotel was served.

Amongst the guests present were Mr. Lo Ching Ho and Mr. S. Y. Lee who was also our guest speaker for the evening. The following members were present: Joe Wu, President, Chan Kum Chen, Yam Kwok Hung, Peter Chen, Ho Nee Qui, Tony Y. P. Mok, S. F. Hui, Luk Kam Sang, Chan Ping Ming, Liang Pei Man, Y. C. Pi, William Chang, Fung Keung.

Mr. Lee chose the subject of his address as "The Teachers of Hong Kong". His address in Cantonese as appearing in the following pages revealed the understudy of the different categories of teachers who are responsible for educating the young in preparation for their higher path of learning or the choice of a career after their school leaving.

Mr. Lee is a graduate with the degree of B.A. (Honours) of the Hong Kong University and an M.A. of the London University. He has been posted as the Senior Education Officer of the Education Department, and is currently the Principal of Clementi Middle School. He served three terms as the President of the Hongkong Teachers Association as well as a member of the Board of Education. He attended a number of the International Conferences during which he familiarized himself with the educational problems existing in many countries.

At the end of Mr. Lee's address, and amidst a big round of applause, Lion Seto thanked Mr. Lee for the wonderful way with which he covered the problems of teachers and education of Hong Kong.

Lion Seto further remarked that as teaching was the noblest of all professions exemplified by our great sage, Confucius, Mr. Lee in his 30 years of teaching must have more than 7,000 pupils who are today leaders in their respective fields of human activities. In a way Mr. Lee could well be known as the modern Confucius, and the Lions of the Castle Peak Club were most fortunate to hear the words of the MASTER at this meeting.

#### The 9th Executive Committee Meeting of Directors

The meeting, held on Wednesday, 8th January 1969 at the Penthouse of the Park Hotel, found President Wu in the chair with the following officers and directors present:

Yam Kwok Hung, Chan Kam Chen, Peter Chan, Seto Yu Bob Chan, Lui Ho, Stephen Hui, Liang Pui Man, Chui Tue Hai and Ching Hon Kuen.

After calling the meeting to order, President Wu received Sub-committees progress reports and recommendations from Yam Kwok Hung as chairman of the Ladies Night Committee.

The next subject came under discussion was the twinning of the Saigon West Lions Club with the Castle Peak Lions Club and President Wu called upon the Twinning Committee composed of Chan Kum Chen, Ho Nee Qui, and Tung Hong Ying to report the findings and the recommendations thereof. Ho as spokesman recommended that the twinning be accepted between the two clubs without the frills of an elaborate ceremony but with the formal exchange of the certificates of twinning in a simple ceremony which could take place in March when it was expected that the President of Saigon Club would be visiting Hong Kong. The Committee greeted Lion Ho's recommendation with approval, and the twinning was passed without dissent by the Committee.

Secretary Chan put the resignation of Chan Shui Kwei for discussion and after some deliberation,

the resignation was accepted with a rider that Lion Chan must pay all the arrears of dues up to the date of resignation. This was noted by Secretary Chan.

An application of Mr. Lo Ching Ho to be a new member of the Club was tabled by Liang Pei Man who acted as sponsor for the applicant. President Wu in appreciation of Liang's good work moved that the application be passed to Lion Seto as Membership Chairman for action, and this motion was carried.

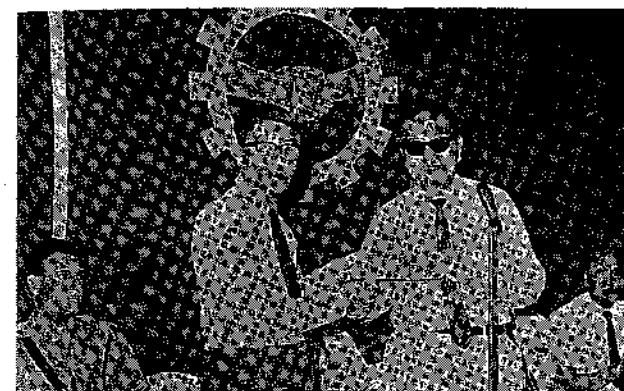

The meeting was adjourned at 7.30 p.m.

#### An outstanding event at the Country Club

For at least six months in the past the Lionesses of the Castle Peak Club had been meeting regularly once a month for luncheon amongst themselves without their lion husbands. However, their last luncheon meeting on 5 January 1969 was exceptional, as it was attended by many Lions on the invitation of Lionesses. An attendance of 43 Lions and Lionesses and 17 Lionerettes went on record consisting of:—

Lion & Lioness Joe Wu, Lion & Lioness Seto Yu, Lion & Lioness Y. C. Pi, Lion & Lioness Tung Hong Ying, Lion & Lioness Stephen S. F. Hui, Lion & Lioness Yam Kwok Hung, Lion & Lioness Fan Pa Fun, Lion, Lioness & Lionerettes Peter Chan, Lion, Lioness & Lionerettes Ho Nee Qui, Lion, Lioness & Lionerettes Fung Yim, Lion, Lioness & Lionerettes Chan Kum Chen, Lion, Lioness & Lionerettes Samuel Ng Hing Wing, Lion, Lioness & Lionerettes Chan Ping Ming, Lion, Lioness & Lionerettes Tony Mok, Lion, Lioness & Lionerettes Fan Sze Shun.

The organizers of this most successful excursion to the Country Club were Lionesses Seto, Wu, and Pi and it was to these Lionesses and the other ladies that the participating Lions would like to offer them their special thanks.

# LIONS ROAR

By B. B.

This may sound corny even for this page. A Scotchman went to a party minus his head because he thought he could evade the charge of \$25.00 per head for the dinner.

An Army Colonel, commenting on some "queer" soldiers in his regiment, explained: "Take the Captain, for instance. When I kiss him, he closes his eyes".

A man complained about his leaking roof to his landlord: "Last night when it was raining, the roof leaked so much I finished my soup three times".

The prisoner who was found guilty of the attempted murder of his mother-in-law, was put on probation. The judge wanted to give him another chance.

*Irate Diner:* Waiter, this soup is not fit for a pig!

*Waiter:* Sorry, Sir, I'll bring you some that is.

An Irishman on a safari in Africa was captured by cannibals. They found so much alcohol in him they

spared him from the cooking pot and, instead, took a pint a day from him to drink. Finally, the Irishman couldn't stand it and fought back. "Look here, you sons of bitches, I don't mind you draining my blood but I hate you sponging drinks from me".

*Teacher:* What is your name?

*Boy:* John Smith.

*Teacher:* You should say, Sir

*Boy:* Alright, Sir John Smith.

A frantic mother phoned her doctor to say that her little boy had swallowed a dollar and asked what she should do.

"Keep him in bed until you see some change", calmly replied the doctor.

Joe tells Andy that he's been married twice since the last time they met. Both wives have died in the meantime.

*Andy:* What did they die of?

*Joe:* One died from drinking poisoned mushroom soup. The other of a fractured skull.

*Andy:* And how did the second one break her skull?

*Joe:* She refused to drink mushroom soup.
