Lions, Roar!

A recent unofficial estimate suggests that "Lions Roar", this journal's jokes columns, is about the most popular columns among the readers. This is easy to understand: a Lion roaring in laughter is a happy Lion.

But Lions do sometimes roar about other things than jokes. They may wish other Lions to know what they are roaring about and, when possible, to roar in unison with them. Then they would find it worthwhile to write for this journal.

So far, the *Lion* has served its readers well in keeping them informed of one another's activities. Let us not forget that, at the same time, it has always been an open forum for Lions to express their views.

Roaming among the Lions around the time of this year's Joint Charity Ball, this Editor learned from many of them a good deal of opinions, favourable and otherwise, on the various aspects of this annual function, the way in which it was prepared and conducted, the response it was bound to receive from the Clubs. There were even views that the Ball should be substituted by other efforts capable of yielding more ample funds for charity. Other Lions have spoken privately about the effectiveness or ineffectiveness of the recent "Leadership Forum". If some of our critics would air their views openly in the *Lion*, this journal would become a much more interesting one to read and Lionism in Hong Kong would progress at greater speed as any kind of movement would do in a favourable atmosphere generated by frank, honest and exciting discussion.

Such discussion on a wide scale is essential to deepening the Lions' mutual understanding and their understanding of Lionism. It is also important for cultivating closer and better cooperation among them in carrying out their common projects. It strengthens their organizations and improves their methods. Without it, our Lions can at best be individual good Lions; there can be little or no *esprit de corps*.

The new chief Editor of this Journal repeats the appeals of his predecessors for articles written by Lions. Lions may also, less formally, send in "Letters to the Editor." They may write objectively or subjectively. (Who can be 100% objective?) They may tread on safe ground or roar on controversial subjects. (One writer says that when everybody agrees with what he says he is sure that there is something wrong with him.) They may write about their thoughts, bias or prejudices. (Even prejudice provokes thought.) And of course, they may choose to write in Chinese or in English. In fact, any kind of writing is welcomed.

The choice of subjects appropriate to the *Lion* is almost unlimited. Lions may write on any subject under the sun, *i.e.*, any subject in connection with Lionism, either directly or indirectly. Lionism embodies a good number of virtues, each of which can be explored at different angles and in terms of changing time and space. The "philosophers" among us would find it a rich field in which to enlighten us with their insight and sagacity. Lionism, with its emphasis on service to our fellow men, has to be applied to the service we actually render in order to make any sense. Is it not that the average Hong Kong Lions, who spare no efforts in raising funds for the public good, usually care little where their funds go? Are they not somewhat complacent about the types of project in which the District or their Clubs are engaged? Do discussions take obtain place as to who needs and deserves our aids most before a project is planned, and what is there to help us decide priority? What service can we render the society apart from finding the money to finance somebody else's work? These and similar questions will provoke serious thinking and arguments for all Lions to share not only for the benefit of Lionism but also for their own.

Internal affairs of the Clubs such as recruiting new members, maintaining a high attendance level, promoting fellowship among the members, discipline, fund-raising, etc. are also proper subjects on which Lions may share their old experience and new ideas.

Lions with ideas to share please write to the *Lion*. The journal is yours. It is and will be as good as you, by your contribution towards it, deserve. Let the Lions roar! Let them roar where they can be most surely heard—the journal now in front of you!

University of Hong Kong

Lions Loan Fund for Management Studies

Lions International, District 303, has generously given the University the sum of \$10,000 to establish a Lions Loan Fund for Management Studies. Students attending the Diploma Course in Management Studies or the Certificate Course in Personnel Management sponsored by the University's Department of Extra-mural Studies will shortly be able to apply for loans to cover all or part of the annual fees for these courses. Loans will be awarded to students in need of financial assistance at the discretion of the Director Extra-mural Studies, subject to ratification by the Committee on Extra-mural Studies, and will be repayable, without interest, by instalments over a period of two years from the date of the loan.

1969 Lions International Convention, Hong Kong Delegation

Lions Leadership Forum-1969

Lions International District 303 Organization

(Prepared by LION HILTON CHEONG-LEEN)

Cabinet

The District Governor's Cabinet is composed of the District Governor, who is the executive head, and the Deputy District Governor of the District. The Cabinet Secretary, Cabinet Treasurer and all District Chairmen are (non-voting) members of the Cabinet. They are all appointed by the District Governor.

District Governor—Duties

Under the supervision of the International Board of Directors, the District Governor performs those duties of the office of District Governor set forth in the International Constitution and By-Laws. He supervises, coordinates, and promotes the general welfare of Lions Clubs and the individual members thereof.

Deputy District Governor—Duties

The Deputy District Governor is literally an assistant District Governor. He should be chosen for outstanding leadership ability. The Deputy District Governor is not an honorary officer. He is a line officer of first importance. Although many Deputy District Governors do not become Governors, each should be qualified by personality and ability for the Governor's job. Responsibilities of the Deputy District Governor include the following:

1. Attend the regular quarterly cabinet meetings of the District Governor, district conventions and the International Convention.
2. Attend a regular meeting of each club in his region at least once during the year. Accompanying the District Governor upon the occasion of his official visit shall not be counted in this regard.
3. Be prepared at all times to induct new members and install officers when requested by a club to do so.

Cabinet Secretary—Duties

The Cabinet Secretary keeps a true and complete record of the proceedings of all meetings of the District Governor's Cabinet, and forwards copies of same within five (5) days after each meeting to all

members of the Cabinet and the office of Lions International. He attends to correspondence and other matters as directed by the District Governor.

Cabinet Treasurer—Duties

The Cabinet Treasurer collects from the Clubs in the District the stipulated per capita dues for the administration of the affairs of Lionism within the District, and deposits same in such bank or banks as are designated by the Cabinet. He disburses these funds only as authorized by the District Governor's Cabinet.

He submits a semi-annual financial report to the Cabinet and such other special reports as may be called for by the Cabinet. He submits the books and accounts for audit whenever required by the District Governor's Cabinet. At the end of the fiscal year he places in the hands of his successor all monies and records, financial and otherwise, which pertain to the office of Cabinet Treasurer.

District Governor's Cabinet—Responsibilities

The District Governor's Cabinet is the deliberative and assisting body to the District Governor in the formulation of administrative plans and policies affecting the welfare of Lionism within the District.

District Governor's Cabinet—Meetings

1. At least four regular quarterly meetings of the District Governor's Cabinet are held during the year, the first of which is held within thirty (30) days after the adjournment of the International Convention.

The purpose of the first quarterly meeting is to organize the Cabinet and to formulate plans and policies to promote Lionism in the District during the fiscal year.

It makes a general survey of existing conditions in the District as pertains to total membership, prospective areas in which Lions Clubs may be organized, percentage standing of membership, and as to activities reports being sent on time to the International Office, etc.

2. The second quarterly meeting of the Cabinet is held in the month of November. At this meeting it studies the progress made in the District since the last meeting, and makes plans for the further growth and development of Lionism. It considers and acts upon unfinished business from the previous Cabinet meeting, and takes up new business affecting the welfare of Lionism.

3. The third quarterly meeting is held in the month of February.

At this meeting the Cabinet receives and acts upon the semi-annual financial report of the Cabinet Secretary and Cabinet Treasurer. Definite plans are made and means devised to promote attendance by the Clubs at the forthcoming annual District and International Conventions. It reviews the condition of Lionism and lays plans to bring about a successful culmination of the year's administration. It makes an inventory of progress made during the year and perfects plans to intensify all efforts throughout the District which will insure a successful conclusion of the year's administration.

4. The fourth quarterly Cabinet meeting reviews the year's activities and makes plans for a smooth transfer of responsibilities to the incoming District Governor.

Cabinet Committees

The following are the various Cabinet Committees whose membership comprises of representatives of all the Clubs wherever applicable:

1. **Honorary Committee:** Membership comprises Past District Governors. The role is advisory, as and when required by the District Governor.

2. **Convention Committee:** Plans, coordinates and facilitates attendance by Lions within the District at International Lions Conventions and the annual Orient & South-East Asian Lions Convention.

3. **District Reception Committee:** Coordinates reception of visiting International officers, District Governors etc. and puts them in touch with individual Clubs.

4. **Extension Committee:** Coordinates and assists individual Clubs in sponsoring new Clubs within the District.

5. **Information Committee:** Prepares handbooks, pamphlets, etc. on Lionism for circulation within the District.

6. **International Relations Committee:** Keeps the District and individual Clubs in touch with overseas Lions leaders and Clubs, and assists in bringing local and overseas Clubs together on Projects.

7. **Leo Club Committee:** Coordinates and assists in the formation and supervision of Leo Clubs by individual Lions Clubs.

8. **Membership Development Committee:** Coordinates annual membership campaign and prepares the District membership roster.

9. **Projects Committee:** Studies and recommends to the District Governor on Projects to be supported from funds raised at the Joint Charity Ball. Usually, projects of less than \$5,000 are not considered.

11. **Publications Committee:** Formulates and implements the policy of the "Hong Kong Lion".

12. **Youth Exchange Committee:** Organises with overseas Lions Clubs Youth Exchange projects.

The Cabinet Treasurer is concurrently the Custodian Committee Hon. Treasurer. By convention, any two of five Past District Governors whose signatures have been registered with the Bank can sign cheques for the Custodian Committee account.

14. **District Office Management Committee:** Supervises the smooth operation of the District Office.

In addition, the District Governor appoints an Hon. Auditor and two Hon. Legal Advisers for the year. The District also has a Property Custodian who keeps complete records of all Lions supplies ordered from International Headquarters.

Opening Remarks by District Governor, Hilton Cheong-Leen at Lions International District 303 Leadership Forum held at Hong Kong Hilton Hotel Ballroom on Saturday, 7th June, 1969

Leadership Forum Chairman, Lion John Poon, Fellow Lions:

Once again we meet together to participate in this year's Lions Leadership Forum.

This has become an annual affair which requires mandatory participation by all Lions who will be active during the 1969-70 term of office, whether they are on the District level or at the Club level.

The continued success which Lionism enjoys in Hong Kong is in no small measure due to the close fellowship and cooperation in Lions activities within our District. Much of this results from the deep appreciation and understanding of the objectives and principles, as well as the administrative procedures of Lionism.

Additionally, this Forum is an exercise in the management, development, and planning for future growth of Lionism in our District.

I am very pleased to see that there is such a good attendance at this year's Leadership Forum. I take this opportunity to express my warmest appreciation and congratulations to the Chairman of the Forum, Lion John Poon, to the Forum Secretary, Lion Harold T. Wu, and to all the other members of the Leadership Forum Committee who have assisted in its organisation.

It now gives me great pleasure to declare this Lions Leadership Forum of 1969 open.

Points raised and submitted by the 9 Workshops

Functioning of the Board of Club Workshop A1 & A2

1. A Vice-president, in addition to the usual duties related to his office, should be assigned occasionally to preside over the regular meetings. This would afford relief to the President and at the same time provide him with training for his future role should he be elected to the Chair at a later date.
2. The Secretary should play a greater role at regular meetings through the assigning to him of the duties of making announcements and reports to the members.
3. Directors should be given the duty of supervising and acting as advisor of committee or committees so that they could take a more active part in the Clubs functions and ensure that the committee or committees under their jurisdiction are carrying out their responsibilities.
4. It is recommended that the District Governor and his cabinet work out a more appropriate Chinese translation of the office of "Director".
5. District Secretary is requested to ascertain from Lions International the rules covering make-up attendance for absence from meetings, in particular:
 - (a) Does attendance at Board of Directors meeting count toward make-up of absence from regular meetings?
 - (b) Does attendance at International Lions Convention and Area Conventions count toward make-up of absence from regular meetings?

Membership Development and Club Extension Workshop B

New Members: Emphasis should be given on the quality of new members:

- (a) New members should know well their obligations towards their Club.
- (b) They should be service-minded.
- (c) Character — dependability, reliability and responsibility.
- (d) Prospective candidates should attend at least two regular meetings of the Lions Clubs.

The sponsoring Lions member should have moral responsibility for the Lion he has sponsored for at least one year.

Classification: Classification for Lions is flexible; we can have minor classifications under the major ones.

Sponsoring Club: The sponsoring Club should obtain more information of Charter Members of a new Club and to have close contact with the Chairman of the Extension Committee of the District.

Sisterhood Alliance: We should encourage our Clubs to have Sisterhood Alliance with Clubs in various cities in the Far East other than those in Taiwan, where we already have too many hitherto as compared with that of other cities.

Membership Record: We recommend the publication of photographs of Lion members in the District Roster in the future.

Members photographs should definitely be necessary in the Club Roster.

Project and Fund Raising Workshop C1 & C2

1. *Sizes of Project at various levels*
Each Club is free to carry out its own projects according to the availability of funds and the worthiness of the projects.
2. *Nature of Project*
In addition to the various types of projects listed, there should be added the emergency cases, e.g. the exigent donation to rainstorm victims took place a few years ago.

3. *Participation*

We should contribute to capital cost only and not taking part in the routine management, but some follow-up to ensure that the project is properly carried out is recommended.

Community Chest

We should retain our own identity as Lions. We raise our own funds and carry out our own projects as a service club as different from a fund raising agency.

Conflict of Fund Raising Functions

The various club functions should be planned in advance and well spaced out.

The District should provide a coordinator to coordinate with the various clubs.

Fund Raising

It is recommended that in order to preserve the

entity and unity of the Lions movement, the District should discourage the individual clubs to raise funds separately from the public for its own projects other than the annual joint fund raising campaign at the District level.

The individual clubs, however, are free to raise funds among their own members for their own projects.

Forum

In order to avoid the monotony of holding similar type of Forum each year on similar subject, it is recommended that Forum in its present form should be held only once every three years.

In addition, a series of lectures should be arranged each year to be given by senior Lions for the benefit of the new members only. The lectures should be held in separate groups in English and in Cantonese and the new members are free in choosing to join any group suitable to them.

Social Activities, Planning and Execution Workshop D

The general discussion took place and various recommendations were made on the 10 different outlines of topics as follows.

1. *Frequency of Gatherings in a year*

- a) Meetings to be held at least twice a month, which is compulsory as per the Lions' Constitution.
- b) Inter-Club functions are to be encouraged, namely, two or three clubs could jointly hold a meeting together.
- c) Once in a while, a luncheon meeting could be changed into a dinner meeting or a dinner meeting to a luncheon meeting in order to accommodate the convenience of a guest-speaker. But if a regular change is envisaged, then an application has to be made to the Lions District Club.

2. *How to plan a different program each time?*

- a) In order to have more variety and change of place, one could hold debates on topical subjects or show movies of current interest, such as on the Apollo project. Or, even arrange for a picnic.
- b) Instead of inviting all the time outside speakers, some of the members of the Club may be invited to make a speech, especially

after they have taken a trip overseas, as they could recount their travel experience.

- c) It would be preferable not to invite distinguished speakers all the time, but to invite speakers who have some interesting topics to relay and not too long speeches.

3. *Master of Ceremony*

- a) During regular luncheon meetings, at times the Secretary or the Vice-President can take over the conduct of the meeting.
- b) During Ladies Night function, it would be preferable to have one of the lions members to act as Master of Ceremony, and it is good to encourage members to act as Master of Ceremony on such occasions, although at times non-members may be invited to act as Master of Ceremony.

4. *The Chairman & members of Committee for Ladies Night and other social functions.*

- a) As soon as the President is elected, he should immediately form a Ladies Night Committee so that it will give them a lot of time for planning this important function.
- b) It is not recommended to hold the Ladies Night function during the month of December, as there are too many other functions during this festive month.

- c) It is strongly recommended that all 9 clubs should coordinate together and arrange their own Ladies Night function to be held at least two weeks apart, and preferably no two Ladies Night function should be held during the course of the same week. Besides the Ladies Night function, a proper committee should be formed for the function to install the incoming new board.
- d) It was also strongly recommended to hold a children's get-together and this should be held at the District level, failing which two or three clubs could join together to hold such a function.

5. Financial outlay considerations (for special functions only)

- a) It would be advisable to exchange financial details with other clubs to see how much other clubs spend on similar functions.
- b) As regards the financial outlay for holding subject functions, it was considered advisable to spend within the budgeted income.

6. When fund raising is involved and it is limited to Club needs only, no public solicitation or campaigning permitted.

- a) Whenever it is necessary to raise funds, it would be preferable to do so in the name of "Lions Club" and not in the name "for a particular project".
- b) When each Club has its own fund-raising campaign, it is considered essential not to ask any other Lions Clubs to contribute, at

the same time no general public solicitation or campaigning is permitted.

7. The Ladies Committee

Advisable to form a Ladies committee only when it is necessary, such as for fund-raising.

8. Invitation of Lion VIPs to be limited.

It is not necessary to invite all Past District Governors and Club Presidents free, but this is left to the discretion of each Club.

9. Floor Shows: members' participation to be encouraged.

It is encouraged to form a dramatic committee at the District level and to encourage more members and their friends to join this dramatic committee. It was also considered advisable to form such a committee at the beginning of the year at the District level.

10. Invitation of glamour personalities

Whenever a glamorous personality is invited to attend the meeting of any club, that club should preferably inform the District Office to circularise among all the members of the nine clubs informing them of the presence of the glamorous personality at such a meeting so that more members may have the knowledge and opportunity to attend such meetings.

The meeting was adjourned at 4:30 p.m. and the Chairman passed a Resolution, thanking all the members present for their active participation and suggestions.

**Leo Club Promotion
Workshop E**

Finance: Policy on subsidizing the Leo Club:

1. On the chartering side, it is the responsibility of the sponsoring club.
2. Service project will be decided by each Lion Board on individual project.
3. In principle, the Club should be self-supporting in all projects and activities, but Lions and sponsoring clubs are always willing to help.

Leo Club Problems:

1. Owing to the examination system in Hong Kong, meeting attendance is affected. So consideration be given to having a short recess during special periods of examination.
2. In regard to the Leo Constitution, at least two meetings per month, this should be eared according to the local situation and not according to the States' criterior.

Regional and International Conventions, 1969

Workshop F

Recommendations:

1. When District funds are available, to provide a subsidy for delegations attending international and regional conventions.

2. The District Convention Committee to start planning as soon as possible for the next Orient and South-East Asian Convention.

District Office Coordination

Workshop G

1. The District Information Committee to be strengthened, making fuller use of the facilities of the "Hong Kong Lion" publication.
2. The District Office Management Committee to be abolished and replaced by a District Office Manager.
3. All minutes of Board of Directors meetings of each Club to be sent regularly to the District Governor for his information.
4. District Dues to be consolidated and issued for the coming year.
5. Since the "Hong Kong Lion" serves a useful purpose to keep individual Lions informed of activities at the International and District levels, the publication of the "Hong Kong Lion" should be continued.

5. Pok Wai Public School

The Host Club extends its grateful thanks to these Lions for making available of their time especially since they were called upon at the last moment as District 303 were unable to get any volunteers from other clubs.

The judging tours were held in the New Territories and were a whole day affairs, and it speaks highly of these Lions' dedication to the motto "WE SERVE".

2. Leo Club

Lion Matthew Fong, Chairman of Leo Club Committee, reports that the Inaugural Ceremony and Charter Night of the Leo Club cost the Club \$432.20 for which a sum of \$640.00 was approved by the Board in early December.

The Leo Club has in mind several projects during the summer holidays which will include the New Territories. The members of the Leo Club have decided to make a donation of \$2,000.00 towards the Y.M.C.A. Welfare Roof Club in Li Cheng Uk Resettlement Estate.

3. Apples for Hong Kong

The Host Club has been advised by Lions Club of Motueka that a shipment of 100 cartons of New Zealand apples will be arriving in Hong Kong on board the "Shansi" on or about 2nd July. The distribution of these apples to charitable institutions is left to the discretion of the Host Club.

4. Kwun Tong Club

Owing to the difficulty in getting experienced Lions from other clubs to be Charter Members of the Kwun Tong Lions Club which the Host Club wishes to sponsor, charter arrangements have of necessity been delayed. Would members from other clubs who might be interested in assuming executive posts in this new club, and who are eligible by virtue of resident or business within that district, please contact Lion James Kung.

A Laud for A. B. Butt Ginarn Lao

For many men 48 years is a life's time.
Buddy's 48 years' service, I wish
it were mine.

It shows a man's character, capability
and loyalty,
And also his kind, friendly and
congenial personality.

To find a man of this type is indeed
not easy.
I congratulate Getz Bros. to have
found Buddy.

On his retirement all the Lions will
surely miss him,
But they will rejoice in a remini-
scence of honor and esteem.

May he continue to enjoy good health
and happiness!
And may we think of him always
with gladness!

The poem was sent to Lion Hilton Cheung-Leen in a letter in which Lion Ginarn Lao congratulated the District Governor for the success of this year's Lions Charity Ball.

BULLETIN FOR JULY 1969

Another year of Lionism has passed. There are now over one million Lions throughout the world. The Lions Club of Kowloon has prospered, but not without some ups and downs. Our attendance was not as good as it should have been. However, the year 1968—1969 has passed. If it was not a good year let us not think about it, for what is done, is done. Let us now look to the coming year and let it be a milestone in the history of the Kowloon Lions Club. Therefore, let us go forward with the Banner of Lionism held high, remembering always our motto: "We Serve".

The speaker at our Luncheon Meeting on June 13th was Mr. John Pain, Executive Director of the Hongkong Tourist Association. Mr. Pain voiced the fear that the Hongkong Tourist Industry was falling behind other southeast Asian tourist agencies. He then went on to say that Hongkong was not equipped to grasp further opportunities in the growing and increasingly competitive tourist business. More basic facilities, hotels as well as extended airport and transport facilities were needed.

World tourism's trend is toward a younger generation of traveller, better educated and less interested in luxury treatment.

Nor is Hongkong making the right sort of progress toward getting the facilities demanded by this new kind of traveller.

We cannot even supply adequate resort, recreation and sporting facilities for our own young people. We do not have museums, oceanariums and local centres for the display of arts and crafts; yet these are all of the features demanded by the up and coming generation of travellers.

Mr. Pain said that the average tourist visiting Hongkong spend \$1,576 in the course of a 3.99 day visit.

It should also be noted that this meeting showed an 80% attendance, the highest attendance for the year.

Our Luncheon Meeting on July 25th has been cancelled in place of this meeting. A Dinner Meeting will be held in the Peninsula Hotel Ballroom on July 18th. At this meeting, we will be entertaining 80 visiting Lions from Hawaii and 50 from Australia. It is to be hoped that our members will attend in strength.

An invitation is also extended to the members of all other Hongkong Clubs. Dinner will start at 8 p.m., the cost per head will be \$20.

The Kowloon Club will be 10 years young in September. A function to celebrate this great occasion will be held on September 20 (Venue to be announced at a later date).

We have received confirmation that a number of Lions and Lionesses from our sister club in Taipei will be coming to Hongkong to attend this celebration.

The following Lions have been appointed Committee Chairmen by our incoming President:—

- Attendance: Percy Yeh
- Constitution & By-laws: C. C. Goh
- Editor: Julio W. Templo
- Finance: George Wong
- Greeter: Charles Chang
- Membership: David Lee
- Programme: S. K. Lee
- Projects: Theodore King
- Publicity: John Liu

A question was raised at our last Board of Directors meeting.

Ike: How do we raise more money for the Administrative fund?

Nelson: By voluntary donations from officers.

Lion Ike then volunteered to donate \$1,000 on condition that President Bill Wong and Treasurer Hassa match him. Results as follows:

I. V. Doone	\$500
Bill Wong	\$500
M. Hassa	\$300
K. G. Sakhrani	\$200
Lincoln Linn	\$100
A. Takai	\$100
S. T. Wong	\$200
S. K. Lee	\$100
Theodore King	\$100
George Wong	\$100
Jimmie Whang	\$200
David Lee	\$ 50
Nelson Leo	\$200
Stephen Ip	\$200
Percy Yeh	\$200

As a result, \$3050 was raised for the Administrative fund.

Well, fellow Lions, you are now going to have to pay more for your food at our luncheon meeting \$2.50 to be exact. It was proposed, seconded and passed at our last Board Meeting that this increase be made. I am sure that you will all agree that \$12.50 is fair enough for what we get at the Peninsula.

Even Lions have Birthdays. Greetings go to the following Lions:

F. M. Agon	July 7
L. Y. Chang	July 14
H. C. Ma	July 25
Julio Templo	July 9
Abraham Wong	July 24
Sam Zee	July 25

Our new Tail Twister will be seeing you very shortly. To make things easy for him, please have your Donations ready.

旅行社社長

卜少夫演講觀光事業

半島獅子會於本年六月十三日晚常會中邀請旅行社社長卜少夫演講「觀光事業」。卜氏指出：有人將旅遊觀光事業稱為「無煙工業」，至為恰當。世界上許多國家都靠這一事業帶來財富，增加社會經濟繁榮。以香港而論，上年來了六十萬遊客，使本港獲益達二億美元之鉅，僅次於紡織工業，成為第二位收入最豐之行業。從今年增長之趨勢來看，估計全年遊客，將達七十萬人應無問題。卜氏並指出：本港觀光事業之發達，與我們每個人都有直接或間接的關係；而每個人也或多或少分享它的利益。因此，發展旅遊事業，人人有責，需要我們全體合作，才能更有進步，更有成績。卜氏最後提出需要特別注意之三點：(1) 要研究增加獨特的項目與設備，以配合發揮地理上的條件，吸引遊客，使遊客流連忘返，樂不思蜀，卜氏指出：全世界任何國家都有觀光旅館、夜總會、高爾夫球場、海灘等，但是山水風光各不相同。我們應就地理上的特色，注重東方色彩，加上人為的設計，創造一些獨特的設備，這是努力的途徑之一。(2) 簡化入境旅客手續，移民局已在不斷改善中。但中國人所受到的待遇，並不如歐、美、日本等國家的來客一樣，無論這位中國遊客來自何方，即使具備一切的規定手續，仍往往遭到留難。希望當局今後能一視同仁。(3) 香港以「購物者的天堂

」為標榜，年來這個美譽有些變質，因本港本身生活費用提高，餉租昂貴，另一方面，其他國家地區又與我們劇烈競爭，所以我們需切實檢討對旅客不誠實的行為，凡足以損害我們信譽者，必須嚴加禁止。

Club Activities

1. Regular Luncheon Meetings:

On the 2nd and 4th Wednesdays on the 9th and the 23rd of July, 1969 at 1.15 p.m. at the Hong Kong Hilton.

2. Members Birthdays:

In this month of July we celebrate the birthdays of Lions CHAN Dai Bun, CHAN Nai Ting, CHUNG Shek Chuen, WONG Bing Lai and WONG Wai Leung. May this year bring them happiness and prosperity and additional enthusiasm for Lionism.

3. Birthday Dinner Party:

This year our new President Lion Raymond Kan is going to hold our Birthday Dinner Party on the Wednesday between the two Regular Luncheon Meetings each month, the idea being firstly to have it on a fixed day so that it can be easily remembered by the members and secondly to have the activities of each month evenly spaced apart. This arrangement will be put on trial for a period of 3 months. Whether it would be continued will chiefly depend on the members' response.

Great efforts are being made by Lion Raymond to make our Birthday Dinner Parties more interesting. More details will be available later. However, in this month a special arrangement is being made to hold the Party at Lion Cheng Yu Tung's newly completed luxurious private residence at Repulse Bay Road on Tuesday, 15th July, 1969 commencing from 5.00 p.m. This may seem to be some deviation from the policy just mentioned, but it is a special occasion and provides desirable variation from the routine dinners. Lionesses and friends are welcome and members are requested to contact Lions John Leung or Lam King for reservation.

Those members whose birthdays fall in this month will receive special invitations from our Attendance and Fellowship Committee to be our Guests of Honour. We sincerely hope that they would not disappoint us by not attending.

Lion John Poon was nominated by our Club and finally at the District Convention held on the 24th May 1969 elected District Governor of District 303 for the year 1969-70 un-contested.

Lion John was our Past President, twice Cabinet Secretary of District 303 and also last year's Deputy District Governor.

With his record of service in Lionism and his un-reproachable character, John was of course the logical choice.

John is therefore, after Lion Paul Lau, the Second District Governor from our Club. To him we all pledge our support and wish him every success.

7. World Convention:

Our Club is represented by 5 delegates and 3 lioness observers, namely Lions John Poon, Paul Lau, Hung Him Shiu, Chan Nai Ting and Wu Yau. This is the first time a World Convention is held in the Far East and attendance is expected to be in the order of 30,000 to 50,000.

8. Speaker at Lunch Meeting:

Mr. Ho Kang Po, C. St. J., B.E.M., Area Commissioner of the St. John's Ambulance Brigade was our guest speaker on Wednesday, 11th June 1969 and gave a very informative talk on the activities and objects of this organization of world renown. A number of our members raised probing questions of common interest, which were duly answered by the speaker.

9. Visit of Lion Patzen Wu:

Lion Patzen Wu, President of the Taipei Lions Club (Overseas), our sister club in Taipei, visited us at our Regular Luncheon Meeting on 28th May, 1969.

To suit his very tight time schedule, a luncheon was arranged in his honour at the Ling Nam University Alumni Association premises the next day.

14. A Pen Portrait of Lion Raymond Y. K. Kan:

Lion Raymond as he is affectionately known to us was born in Hong Kong and received his early education in Wah Yan College. He finally graduated in the University of Melbourne with the degree of Bachelor of Architecture and is now an authorized architect in private practice.

He leads a very happy life with his wife, Gemma and his 4 children, Teresa, Christine, Elizabeth and Dennis. His genial attitude and sense of good humour have won him many friends in spite of his bragging at the Mahjong table.

Since becoming a member of the Club he has assumed an active role in all facets of Lionism first being the Hon. Secretary in 1966 then through the posts of 3rd, 2nd and 1st Vice-President until this year being elected President of our Club.

At the District level, he served two consecutive terms as Cabinet Secretary during 1967-68 and 1968-69 and also Chairman of the District Convention Night, 1968 and Chairman of the District Office Ad Hoc Committee leading to the purchase of the District Office in 1969.

Outside of the Lions Clubs he devotes much of his time in participating in civic and charitable movements being concurrently Chairman of the Housing and Transportation Committee of the H.K. Civic Association, a director of the Tung Wah Group of Hospitals and various capacities in numerous other organizations. In March, 1969 he made his first attempt and within a very short period of preparation won his election as Urban Councillor among many strong candidates.

Lion Raymond believes that many objects in Lionism can be achieved through good fellowship and co-operation. This year we will probably see a substantial improvement in fellowship, attendance and social activities as well as a material increase in community projects. With a firm hand such as Raymond's at the rudder we all feel confident that our Club would be piloted through a successful year.

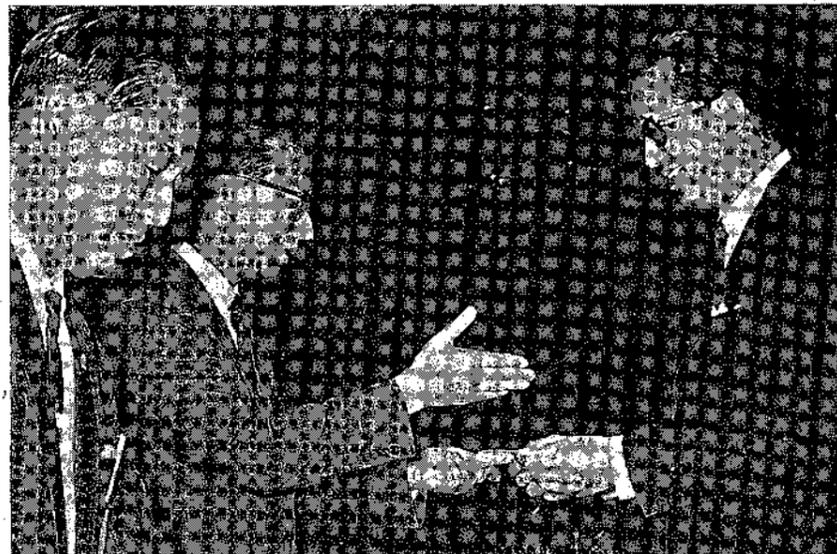

Lion John Poon, Deputy District Governor, receiving an award for distinguished service from the District Governor.

Lion John Poon, as District Governor-elect, delivering a speech at the District Convention Night.

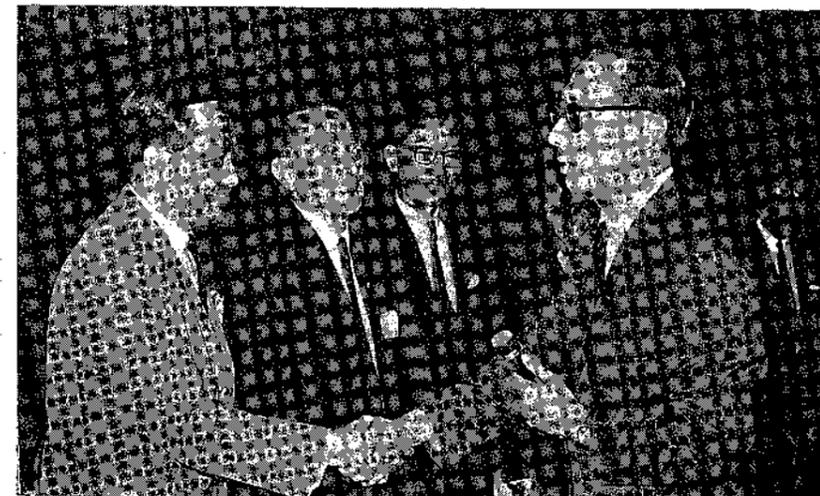

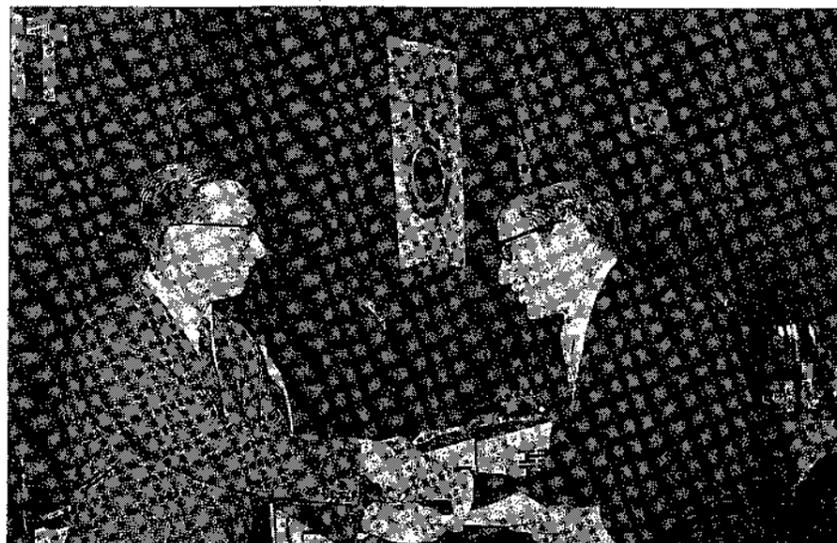

Lion Raymond Kan, District Cabinet Secretary, receiving an award for distinguished service from the District Governor.

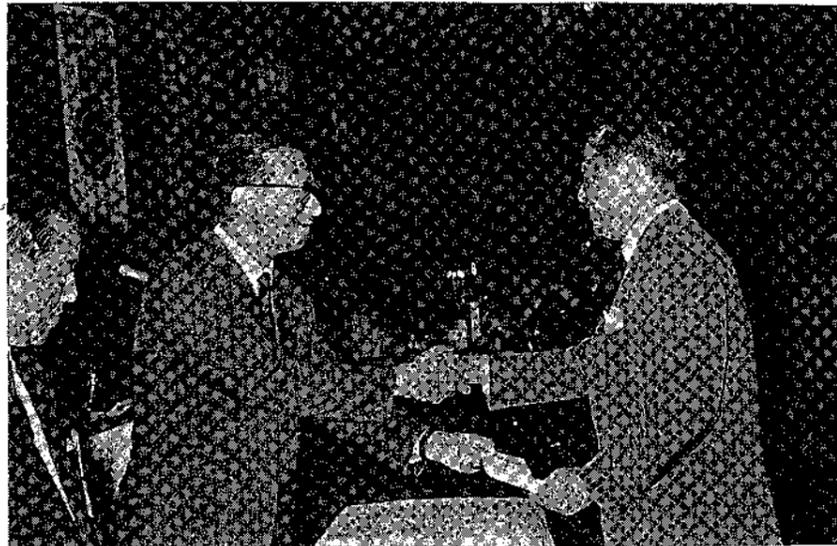

Lion Paul Lau, as Immediate Past District Governor, paying tribute to Lion Hilton Cheong-Leen, Current District Governor.

Lion Lin Chùng Pak, Hon. Legal Advisor, receiving an award for dedicated service from the District Governor.

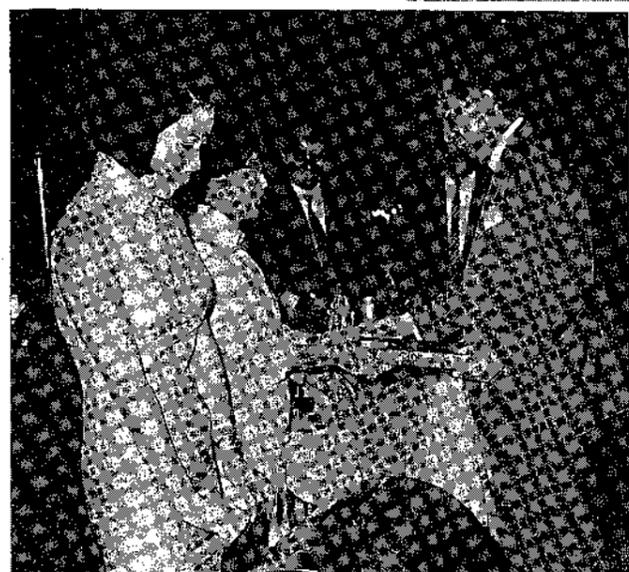

Lion Hilton Cheong-Leen, District Governor, thanking Lion P. C. Chau, one of the presidents of the 9 Clubs, for jointly presenting him a letter of appreciation.

Lion P. C. Chau, Managing Editor of the "H.K. LION", receiving an award form distinguished service from the District Governor.

Lion Paul Lau, Committee Chairman, receiving an award for dedicated service from the District Governor.

Annual Report, June 30, 1969

The Lions Club of Bayview, Hong Kong, District 303, Lions International, in its sixth year of community service, did a great deal both in charities and social activities in 1968-1969.

The year past was an eventful one to all members, who were extremely helpful in making their Fifth Anniversary and 'Ladies' Night' celebration a big success.

The scope of activities of our Club has been expanding year after year. Lion members have always tried their best to participate in all the Club activities.

The following is a general report on major activities and community projects of our Club during 1968-1969.

Annual Election

The election of 1968-1969 officers and directors of the Club was presided over by Lion Peter Chan Kai Kuén, the 1967-1968 President, and he was ably assisted by Charter Secretary Lion Lo Ka Hing, the Nomination Committee Secretary. The election was held at the Luncheon Meeting on Wednesday, 17th April, 1968 in The Mandarin Hotel.

Results of the election:—

Officers and Directors

Thomas S. B. Wei, *President*
Leung Chi Fung, *1st Vice President*
Kinson Kwong, *2nd Vice President*
Leung Kam Fai, *3rd Vice President*
Yeung Nai Ying, *Secretary*
Henry Woo, *Treasurer*

Fifth Anniversary and Ladies Night

Our Club's Charter Day was held on 26th June, 1963 at the City Hall. On its "Fifth Anniversary and Ladies Night", the occasion was held at The Grand Ball Room, Hong Kong Hilton on 22nd November, 1968 at 7.00 p.m.

We specially welcomed Lion delegates from our Sister Club, The Taipei Capital Lions Club of District 300, to this memorable function. The enthusiastic response from our supporting Lions in promoting goodwill and fellowship among the Lions of Taiwan and Hong Kong was most favourable.

Youth Project

Our members are earnestly interested and pleased to promote youth activities. In two years' time, it is planned to direct our community planning to a youth development programme, which will include the recent presentation of 2 complete sets (one set each for North and South Style of Lion Dance of Lion-Heads, Drums and other multifashion items.)

To encourage the development of technical knowledge in the manufacturing and repairing of transistorised radios for the youths, a complete Radio demonstration set was presented and accepted by Mr. William Cheung, Chief Administrator of the Ming Teh Youth Centre.

In the Centre, a "Radio" Class has been set up and a tremendous impetus given to stimulate the interest of those taking part in the training class. These two complete 'Lion Dance' sets of South and North China Origin have been often used by the youngsters not only in the Centre but also at some special occasions by invitation.

Another public spirited contribution by our Club members was a cash donation of HK\$2,500 to Western City District Officer for sponsoring an 'Easter Holiday' Scheme of Community Service undertaken by

youths in that area from April 8th to 10th, 1969.

We are pretty sure that by so doing, the youngsters will be given an opportunity to discover their own talent and the joy and ability to help others.

Education Facilities

(a) Our Club Officers, Directors and members have been invited to inspect and to have talks with the students attending Radio Class while in session at The Ming Teh Youth Centre on the 21st April, 1969.

志願福利團體貢獻

愈多人參加福利團體，愈顯得社會活潑有生氣，而領袖人才更多
由此訓練出來，現在頗多青年及大學生志願參加義務工作。

青山獅子會於六月五日八時，假百樂酒店舉行例會，邀請香港社會服務聯會主席，基督教女青年會總幹事高荅華女士演講「志願福利團體的貢獻」，指出給普通市民參與社會福利工作的機會，使社會顯得有生氣及有健康的發展。

出席者任國雄、陳培德、何義貴、陳錦青、范思舜、朱敬文、董宏英、司徒漢、畢禹徽、呂浩、陳文偉、趙汝熙、程漢權、呂浩、范伯豐、馮彥、康清榮、梁沛文、古永釗、盧永廣、吳浩生、陸斌生、陸錦生、邵傑添、陳平明、張楚庭、盧正浩等，醫師嫂多人列席。

首由會長任國雄報告會務後，繼由高荅華女士演講，指出助人自助之原則，參加志願福利團體之重要性。講者稱：

今晚想與各位談論的問題，是志願福利團體的貢獻。有些外地來港研究香港各種問題的人士，不大着重社會福利工作。我會有機會向他們解釋，我認為各地社會福利，都因社會需要不同而有不同的意義。在目前香港來說，社會福利實有其獨特的意義。社會福利在本港對人的關懷，表示助人自助，表示互助合作，表示共同努力改善生活環境，共同協助建立較健全快樂的社會。所以我想今天特別和各位談談志願福利團體的貢獻，在各位獅兄獅嫂面前拋磚引玉。

若研究社會福利工作的歷史，社會福利工作最初是由私人開始，是由教會開始辦理。由於宗教教義與哲理的驅使，人們志願地從事各項救濟工作，如貧病救濟，年老救濟等。後來隨着工業革命，科學技術的進步，人與人關係更加密切，於是社會問題及社會需要亦漸不同，而人們的注意與興趣亦由狹窄的救濟工作擴展到整個社會的福利。在許多國家都設有專責社會福利的部門，例如本港有社會福利署。雖然如此，在不少國家和大城市中，志願社會福利機構的數目仍不斷增加，有些機構仍不斷擴展工作，究其原因，志願福利機構實在有許多方面的貢獻，現簡略談談幾種重要的貢獻：

一、志願福利社團比較政府有更多的自由，和較容易從事小規模試驗性質的工作。因為政府若要試行某種工作亦要全面地為全國及所有人着想，制定政策，而財政預算先要經許多方面的研究及手續才能更改，且每試做一件新事必與各方面各部門有關聯，不容易開始。而志願福利機構則不然，因為與政府比較起來組織規模小得多，行政手續較簡單，專工政策可根據機構的宗旨與興趣。故較易嘗試小規模的試驗性質工作，若行不通不會有太大的損失，若成功則可擴展工作并可作其他機構甚或政府的借鏡。

許多人認為志願福利機構較多機會接觸人羣，這點很重要，因為人是福利工作的對象，若沒機會接觸人，便無法明白人們的問題和需要，更無法為人服務。根據聯合國專家的報告，多數東南亞的國家大都有這樣的情形，人們覺得與政府接觸較拘緊，中國人以前說：「生不入官門，死不入地獄」，當然我們現在在香港已不同意這種看法了，因為目下香港政府正不斷努力開展社區工作，社會福利署近年擴展甚速，而民政司的民政主任及社會福利署的社區發展主任亦先後設立，前者作為人民與政府的橋樑，而後者則用社會工作方法從事社區發展工作。深信他們的努力一定更促使政府與人民有更密切的關係。

二、在許多國家因為志願福利團體較多機會與人接觸，及有較長歷史的實際工作經驗，所以明白許多社會問題及需要，工作的困難等等，並且有許多寶貴的紀錄和檔案，可作研究的資料。這些資料若能善用研究，可促使整個地區的社會福利工作有更大的進展。

三、志願福利團體能給普通市民參與社會福利工作的機會，這點貢獻實在有很大的意義。因為每一個城市或地區愈是多人民直接或間接參加義務福利工作，則這地區或城市必顯得更更有朝氣，更有生命力，更健全幸福。當然義務工作大概可分為二種，一種是政策決定方面的義務工作人員，如董事、委員等，只有會議上商討政策，決定專工的，另一種義務工作是用自己的時間精力去從事實際的工作，如各位獅嫂協助銷票籌款，或是為紅十字會摺棉花紗布，訪問醫院病人……等都是。

四、志願團體在領袖人才訓練上有很大的貢獻，大家都同意領袖人才訓練，是民主國家所必需，是健全社會所必需——根據許多發展中的國家的研究，認為志願團體在領袖人才的訓練方面貢獻甚大，許多東南亞國家的社會領袖，社區發展及福利事業發展的領袖，都是由志願團體訓練出來的。

社聯的志願工作部雖然是一個新的部門，但現已有八十位成年人及二百位青年人志願參加義務工作。最近更聽聞有三千五百少年人及大學生志願參加暑期的義務福利工作，可見各方面的反應相當熱烈。

以上只是拉拉雜雜的談談志願團體的貢獻，我深信站在社會發展社會服務前哨的獅子會的獅兄獅嫂素來對社會福利工作，出錢出力從不後人，將來一定在社會福利工作上出更偉大的貢獻，預祝貴會更大的成功。

民政主任的工作

民政主任的制度是香港近年來一項嶄新的制度，也是香港政制改革的呼聲中，一個新的嘗試。究竟這個制度的內涵意義怎樣，它與過去或目前若干機構有何異同，都是關心香港政制者所感興趣的。以下是香港中區民政主任吳澤霖先生在太平山獅子會午餐例會席上對「民政主任的工作」的一個具體解答：

黃會長，各位嘉賓，今天很榮幸得到貴會給予我這樣的一個好機會，和各位講幾句話，本人想以問答的方式來解釋民政主任的工作。

民政司署各區辦事處和從前的諮詢處有何不同？

民政司署各區辦事處均附設有諮詢處，諮詢處原為前華民政務司署的附屬機構，它的主要工作為對市民提供各政府部門有關資料及指導辦理各項與政府有關之各項之手續等，自從成立以來甚受市民歡迎。民政主任制度推行後，為行政上的便利，各區辦事處均在地下「舖面」設有諮詢部，並由一聯絡主任(通常為女性)負責，它的工作與從前並無分別，但因其直接隸屬各區民政主任，所以能對市民作更親切更有效的服務，這一改變可從下列各點看出來：

- 一、從前諮詢處只接受市民的詢問，遇有市民投訴某部門服務不佳等情，則祇有指導他們直接向該部門高級人員接洽。目前，如有市民投訴，則辦事處內之聯絡主任，必細心聆聽整件事情之始末，很多時，該市民之投訴可能出於誤會，或對該部門之政策有所不明，該聯絡主任自會詳為解釋，務使市民了解一切。要是市民之投訴，有理由使人相信某部門之服務態度不佳，或政策有明顯之缺點，則民政主任有責任向該部門之首長提供資料及意見，以求改善，由於各首長及高級人員大都急切於提高其部門之服務效率，故民政主任所提供之意見，祇要合理，多獲他們的迅速考慮與處理，除此之外，民政署經常檢討個案，以確知所需的改善是否已實行或各種安排是否收到預期的效果。
- 二、諮詢處從前對市民有關其他公共事業之投訴，不能有所幫助，但目前民政處與各公共事業機構經常保持密切的聯繫，祇要事情合理，他們均樂意接受。民政署綜合市民投訴之意見，而改善其服務，這並非意味著民政主任有很大的職權，實在是各公共機構亟願為市民作較佳服務之反映。
- 三、港九仍設有雖隸屬民政司署但並非附設於民政主任之辦事處內之獨立諮詢處各一所為市民服務。他們的工作和從前一樣，回答簡單的手續問題，這兩所辦事處現在每月接受的簡單詢問萬多宗。

向民政主任投訴有關部門與直接向該部門投訴有何分別？

最了解一個部門的工作的人無疑就是在該處工作的人員所以市民於可能範圍內，儘可直接向該部門提出意見，定會獲得注意及考慮，但如有特殊情形或本身自覺難以表達者則民政主任自當樂意效勞，本來經由市民或民政主任的投訴所獲的效果完全一樣差別祇在民政主任的表達有時可能更易為該部門所了解而已。

民政主任與「冤情大使」有何分別？

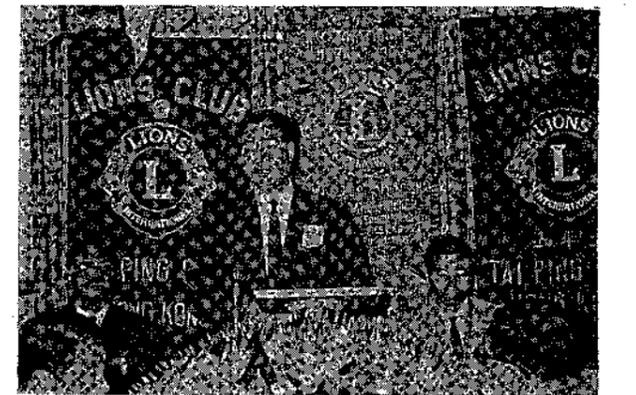

冤情大使制度各國皆有不同，但其共通點則為擁有法定的權力，民政主任目前完全沒有任何行政的權力。很多人認為整個制度的妙處就在這裏有了權力自然有各種限制，以防越權。沒有權力即沒有限制，故此民政主任可處理各方面的問題，話得說回來，民政主任並非通天曉，任何問題仍以專家意見為依歸，但在可能範圍內會堅持情與理必須兼顧。冤情大使可以直接索取一部門的資料以調查市民的投訴。民政主任只可以投訴市民所供給的資料和該部門說道理。假設該部主管人員堅持己見並拒絕解釋理由，民政主任只可將該事件交與政府最高決策人員處理。但這種情形從沒有發生過。

民政主任與社會福利署的地區發展主任工作是否重覆？

地區發展主任為受專業訓練的社會工作人員，其工作除為地區發展福利外亦著重於引起市民對社會認識而熱心參與各種社會之活動，第一階段的工作，因而集中於各類團體活動，如歡會旅遊團等等，無可否認民政署亦有從事這方面的工作，但與發展主任的工作絕非是重覆或浪費，原因有二：(一)民政主任制度之推行，有賴於市民之信任及各社團之支持，社會活動可增加與市民接觸和與社團聯繫之機會，故社會活動只為我們達到目的之方法，並非目的之本身。(二)本港社會活動只在萌芽階段，只處不足，故民政主任與發展主任雙管齊下，並不浪費。

民政司署與前華民政務司署不同之處？

華民的主要工作為聯絡社團，並處理有關家庭婚姻租務等糾紛，並負責管理廟宇，保存古蹟及聯絡各大善團等等，凡此種種民政司署仍繼續負起責任，不過上列都是被動式的工作，新設的民政主任則為主動的工作者，他們主動去明瞭區內情況，找出難題，試求解決，同時向政府指出各項服務重點應否改變何種服務有所不足等，以資改善。另一方面則向市民解釋政府政策，務求政通人和，共同建設共享繁榮。

LIONS ROAR

THE SNAKE & THE LIONS

Several Lions were the "objects of affection" for the Hula and Snake Lady who performed at the Twinning Ceremony Night on June 29 at the Miramar Hotel. They were:—

C. L. Kung, he got a kiss
 But Hilton around whose neck
 She twined the snake, he got a hiss
 But brave lad, he didn't care a heck
 Then Lion Yum was asked to dance
 The Hula, he grabbed the chance
 But when she tempted him with the snake
 Quickly to his heels he did take.

NOT THAT COURAGEOUS

While on the subject of snakes and kissing, we are reminded of the time when a wife noticing the next door young couple kissing at every turn, sneered at her husband "You snake, why don't you do like he does to his wife?" "But Honey be reasonable, I don't know her that well", meekly replied her husband.

KISSED TOO LATE

Then there was the man who got a black eye for kissing the bride—two years after the wedding ceremony.

ADVANCE & RETREAT

A woman will often resist a man's advances and end up blocking his retreat.

ROOM SERVICE

Lady: I want a room and a bath.
Japanese Inn-keeper: Twenty dollars for the room.
 I will bathe you for nothing.

HOLLYWOOD MARRIAGE

The Hollywood Women's Association issued the following ticket for admission to its annual garden party "Bearer and one husband only".

COSTLY DELUSION

"My wife had a dream last night and thought she was married to a millionaire".
 "You are lucky, My wife thinks that in the daytime"

WHITE WITH FRIGHT

First Negro: "Tell me Sam, when were you frightened the most?"
Second Ditto: "It was when I went to my neighbor's chicken farm and he caught me and shouted "whiteboy what are you doing here?"

EGG BEATER

Boy: I eat six eggs for breakfast this morning.
Teacher: You mean ate, don't you?
Boy: Maybe it was eight, I don't remember.
